Committee Report (Substituted)

BACKGROUND

During the 73rd Session, the Texas Legislature passed Senate Bill 1477 to manage the Edwards Aquifer. The plan called for the establishment of the Edwards Aquifer Authority to be administered by an appointed authority. However, the plan was never implemented due to a challenge under the Voting Rights Act.

PURPOSE

To establish a seventeen member board to administer the Edwards Aquifer Authority so as to allow for the implementation of a plan to effectively manage the resources of the Edwards Aquifer.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency or institution.

Subsection (d) provides that the temporary board shall adopt rules governing the procedures for the board and authority.

Subsection (e) provides that, if an appointee to the office of temporary director fails to qualify or if a vacancy occurs in a temporary director's office, the remaining temporary directors shall appoint a person to fill the vacancy.

Subsection (f) delineates the composition of the seventeen member permanent board of directors; provides for the elected directors to serve staggered four-year terms expiring June 1 of each odd-numbered year or as provided by Section 1.092 of this article; provides that the appointed director must be a resident of a county or municipality listed in Section 1.10 of this article and serves a term of four years expiring June 1 of the fourth year following the date of the director's regular appointment.

Subsection (h) provides that, notwithstanding Subsection (f), the initial permanent directors elected from the odd-numbered districts described by Section 1.091 of this article serve terms that expire June 1, 1997; provides that the initial permanent directors elected from the even numbered districts described by Section 1.091 of this article serve terms that expire June 1, 1999.

Subsection (i) provides that the board shall order elections of the appropriate number of directors to replace those whose terms are nearest expiration to be held on the uniform election date in May of each odd-numbered year.

Subsection (j) provides that, at the first meeting of the board after new directors take office, the directors shall take the oath of office and select one director to serve as presiding officer of the board; provides that the presiding officer serves a term set by the board not to exceed two years.

SECTION 4. Emergency clause.

COMPARISON OF ORIGINAL TO SUBSTITUTE

Central Texas Water Advisory Committee shall be appointed. The Original did not amend Section 1.10(a).

(5) The Original provided that the temporary board shall order an election of the elected initial permanent directors to be held on the uniform election date in January 1996. The Substitute changes that date to May 1996.

(6) The Substitute provides that, when the temporary directors have qualified, the directors shall take the oath of office and meet to select one member to serve as presiding officer as soon as practicable. The Original made no provision for oath taking nor for a temporary presiding officer.

The Original made no provision for oath taking nor for a presiding officer.

(9) The Substitute provides that a director may not receive compensation for service on the board, but is entitled to reimbursement for actual and necessary expenses incurred in the performance of the director's duties. The Original did not address compensation.

(10) The Substitute provides that the board may act only on the affirmative vote of a majority of the directors. The Original had no corresponding provision.

BILL ANALYSIS

H.B. 3189
By: Puente (Armbrister)
Natural Resources
05-16-95
Engrossed

BACKGROUND

In 1993, the Texas Legislature passed S.B. 1477 establishing the Edwards Aquifer Authority to manage the Edwards Aquifer. Due to a challenge of the bill under the federal Voting Rights Act, the plan outlined in S.B. 1477 was never implemented.

PURPOSE

As proposed, H.B. 3189 establishes a board of directors to administer the Edwards Aquifer Authority in order to allow for the implementation of a plan to effectively manage the resources of the Edwards Aquifer.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION BY SECTION ANALYSIS

SECTION 1. Amends Article 1, Chapter 626, Acts of the 73rd Legislature, Regular Session, 1993, by amending Section 1.09, and adding Sections 1.091 and 1.092, as follows:

Sec. 1.09. New heading: BOARD OF DIRECTORS; ELECTIONS; TERMS. (a) Provides that the Edwards Aquifer Authority (authority) is governed by a 15-member board of directors (board) from the single-member election districts described by Section 1.092 of this article. Provides that directors serve staggered four-year terms with as near as possible to one-half of the members' terms expiring December 1 of each odd-numbered year. Requires a director to serve until the director's successor has been elected and qualifies for office.

(b) Requires the board to order elections of the appropriate number of directors to replace those whose terms are nearest expiration to be held on the uniform election date in November of each odd-numbered year.

(c) Requires the board, if a director's position becomes vacant for any reason, to appoint a qualified person to serve until the first election of directors following the appointment. Sets forth provisions in the event that the position is not scheduled to be filled at that election. Deletes Subsections (b)-(h) regarding board members.

Sec. 1.091. INITIAL ELECTION OF DIRECTORS. Sets forth requirements for the initial election of directors to the board, and term limits for initial board members.

Sec. 1.092. SINGLE-MEMBER ELECTION DISTRICTS. Sets forth the boundaries of each single-member election district. Defines "tract," "block," "block group," and "BNA."

SECTION 2. Emergency clause.
Effective date: upon passage.

RULEMAKING AUTHORITY

It is the committee's opinion that rulemaking authority is granted to the board of directors of the Edwards Aquifer Authority under SECTION 1 (Section 1.09(d), Article 1, Chapter 626, Acts of the 73rd Legislature, Regular Session, 1993) and to the temporary board of directors of the Edwards Aquifer Authority under SECTION 1 (Section 1.092(d), Article 1, Chapter 626, Acts of the 73rd Legislature, Regular Session, 1993) of this bill.

Sets forth provisions in the event that the position is not scheduled to be filled at that election. Deletes Subsections (b)-(d) and (h) regarding board members.

(d) Redesignates existing Subsection (e). Requires the directors, at the initial meeting of the board following an election of new directors, to elect a presiding officer and other necessary officers. Provides that officers serve terms set by rule of the board not to exceed two years.

(f) Makes conforming changes.

(g) Requires an elected director to hold office until a successor has been elected and has taken the oath of office.

Sec. 1.091. NONVOTING MEMBERS OF BOARD. Requires the board to include two nonvoting directors appointed as provided by this section. Sets forth requirements for the appointment and terms of nonvoting directors. Entitles a director appointed under this section to participate and comment on any matter before the board in the same manner as a voting director, except voting on matters before the board. Authorizes a director appointed under this section to be reimbursed for expenses, but not for compensation for service on the board.

Sec. 1.092. TEMPORARY BOARD AND INITIAL ELECTION OF DIRECTORS. Provides that, until a board is elected as provided by this section and takes office, the authority is governed by a temporary board of certain membership. Sets forth requirements in the event of a vacancy in a temporary director's office. Requires the temporary board, as soon as practicable, to elect officers and adopt rules governing the authority and board procedures. Authorizes a temporary director appointed under this section to be reimbursed for expenses, but prohibits compensation for service on the board. Re: Responsibility of the Texas Natural Resource Conservation Commission pursuant to Article XVI, Section 59(d), Texas Constitution.

H.B. 3189 by Puente

Relating to the board of directors of the Edwards Aquifer Authority and the management of the Edwards aquifer.

Dear Mr. Speaker:

The following comments are provided pursuant to the Constitutional requirements referenced above. We recommend that these comments be considered in the evaluation of the proposed legislation.

House Bill 3189 establishes a temporary board of directors and subsequent, elected initial and permanent boards for the Edwards Aquifer Authority. The initial and permanent boards would consist of directors elected from 15 single-member districts representing Bexar, Comal, Guadalupe, Hays, Caldwell, Medina, Atascosa, and Uvalde Counties. The Bill provides procedures for electing initial and permanent directors to staggered four-year terms.

Respectfully,

(b) This section does not prohibit the Edwards Underground Water District from continuing to conduct district operations at the level the operations are conducted on the effective date of this section or from expanding the district's operations as is reasonably necessary and consistent with good business practices.

(c) The Edwards Underground Water District, at the district's expense, shall cooperate with the authority and the South Central Texas Water Advisory Committee in carrying out both of the entities' responsibilities under this article until each entity has the staff necessary to operate independently. (c) Except as provided by this Act, any provision of House Bill No. 2890, 74th Legislature, Regular Session, 1995, or of any other Act of the 74th Legislature that purports to amend or reenact any part of Section 1.41, Chapter 626, Acts of the 73rd Legislature, Regular Session, 1993, or that purports to transfer

The authority may not collect a total amount of fees and taxes that is more than is reasonably necessary for the administration of the authority.

(b) An underground water conservation district or other underground water district other than the authority may manage and control water that is a part of the aquifer to the extent that those management activities do not conflict with and are not duplicative of this article or the rules and orders of the

(b) This section does not prohibit the Edwards Underground Water District from continuing to conduct district operations at the level the operations are conducted on the effective date of this section or from expanding the district's operations as is reasonably necessary and consistent with good business practices.

(c) The Edwards Underground Water District, at the district's expense, shall cooperate with the authority and the South Central Texas Water Advisory Committee in carrying out both of the entities' responsibilities under this article until each entity has the staff necessary to operate independently. House Bill 3189 establishes a temporary board of directors and subsequent, elected initial and permanent boards for the Edwards Aquifer Authority. The initial and permanent boards would consist of directors elected from 15 single-member districts representing Bexar, Comal, Guadalupe, Hays, Caldwell, Medina, Atascosa, and Uvalde Counties. H.B. 3189
By: Puente (Armbrister)

Enrolled

BACKGROUND

In 1993, the Texas Legislature passed S.B. 1477 establishing the Edwards Aquifer Authority to manage the Edwards Aquifer. Due to a challenge of the bill under the federal Voting Rights Act, the plan outlined in S.B. 1477 was never implemented.

PURPOSE

As enrolled, H.B. 3189 establishes a board of directors to administer the Edwards Aquifer Authority in order to allow for the implementation of a plan to effectively manage the resources of the Edwards Aquifer.

RULEMAKING AUTHORITY

It is the committee's opinion that rulemaking authority is granted to the board of directors of the Edwards Aquifer Authority under SECTION 1 (Section 1.09(d), Article 1, Chapter 626, Acts of the 73rd Legislature, Regular Session, 1993) and to the temporary board of directors of the Edwards Aquifer Authority under SECTION 1 (Section 1.092(d), Article 1, Chapter 626, Acts of the 73rd Legislature, Regular Session, 1993) of this bill.

SECTION BY SECTION ANALYSIS

SECTION 1. Amends Article 1, Chapter 626, Acts of the 73rd Legislature, Regular Session, 1993, by amending Section 1.09, and adding Sections 1.091 and 1.092, as follows:

Sec. 1.09. New heading: BOARD OF DIRECTORS; ELECTIONS; TERMS. (a) Provides that the Edwards Aquifer Authority (authority) is governed by a board of directors (board) composed of 15 directors from the single-member election districts described by Section 1.093 of this article and two directors as appointed under Section 1.091 of this article. Provides that elected directors serve staggered four-year terms with as near as possible to one-half of the members' terms expiring December 1 of each even-numbered year.

(b) Requires the board to order elections of the appropriate number of directors to replace directors holding elected offices whose terms are nearest expiration to be held on the uniform election date in November of each odd-numbered year.

(c) Requires the board, if a director's position becomes vacant for any reason, to appoint a qualified person to serve until the first election of directors following the appointment. Sets forth provisions in the event that the position is not scheduled to be filled at that election. Deletes Subsections (b)-(d) and (h) regarding board members.

(d) Provides that Sections 41.003 and 41.008, Election Code, do not apply to an election held under this article.

(e) Created from existing text. Requires the directors, at the initial meeting of the board following an election of new directors, to elect a presiding officer and other necessary officers. Provides that officers serve terms set by rule of the board not to exceed two years.

(f) Created from existing text. Provides that an act of the board is not valid unless

adopted by the affirmative vote of a majority of the directors who are entitled to vote when a quorum is present. Provides that eight directors who are entitled to vote constitute a quorum.

(g) Redesignates existing Subsection (f). Makes conforming changes.

(h) Redesignates existing Subsection (g). Requires an elected director to hold office until a successor has been elected and has taken the oath of office. Deletes existing subsection (h) regarding a vacancy on the board.

Sec. 1.091. NONVOTING MEMBERS OF BOARD. Requires the board to include two nonvoting directors appointed as provided by this section. Sets forth requirements for the appointment and terms of nonvoting directors. Entitles a director appointed under this section to participate and comment on any matter before the board in the same manner as a voting director, except voting on matters before the board. Authorizes a director appointed under this section to be reimbursed for expenses, but not for compensation for service on the board.

Sec. 1.092. TEMPORARY BOARD AND INITIAL ELECTION OF DIRECTORS. Provides that, until a board is elected as provided by this section and takes office, the authority is governed by a temporary board of certain membership. Sets forth requirements for temporary directors and for a vacancy in a temporary director's office. Requires the temporary board, as soon as practicable, to elect officers and adopt rules governing the authority and board procedures. Authorizes a temporary director appointed under this section to be reimbursed for expenses, but prohibits compensation for service on the board. Sets forth requirements for the initial election of directors to the board, and term limits for initial board members. Grants the temporary board all of the authority granted to the permanent board by this article and by general law.

Sec. 1.093. SINGLE-MEMBER ELECTION DISTRICTS. Sets forth the boundaries of each single-member election district. Provides that each district described by this section includes only the part of the described geographic area included in the boundaries of the authority as provided by Section 1.04 of this article. Defines "tract," "block," "block group," and "BNA."

SECTION 2. Emergency clause.
Effective date: upon passage.
