EXECUTIVE OFFICE
March 13, 1929

TO THE HONORABLE HOUSE OF REPRESENTATIVES OF THE FORTY-FIRST LEGISLATURE:

I return herewith House Bills No. 381, No. 539, No. 627 and No. 716.

I have vetoed each of these bills. They each appear to be bills drawn as general Acts, but so worded as to attempt to confine their application to some one county. Each of them attempts to raise the salary, fees or compensation of some local officer of the county to which the separate bills are meant to apply.

I do not agree to the necessity for the increases in compensation which these several bills would carry, and for that reason I have vetoed the same and return them herewith.

Respectfully submitted,

Governor.
