In response to your request for a Fiscal Note on Senate Bill No. 1727 (relating to the creation, administration, powers, duties, operation, and financing of the Dawson County Underground Water Conservation District) this office has determined the following:

No fiscal implication to the State is anticipated.

Because the bill would not have statewide impact on units of local government of the same type or class, no comment from this office is required by the rules of the Senate as to its probable fiscal implication on units of local government.

AN ACT

relating to the creation, administration, powers, duties, operation, and financing of the Mesa Underground Water Conservation District.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. CREATION. (a) An underground water conservation district, to be known as Mesa Underground Water Conservation District, is created in Dawson County, subject to approval at a confirmation election under Section 9 of this Act. The district is a governmental agency and a body politic and corporate.

(b) The district is created under and is essential to accomplish the purposes of Article XVI, Section 59, of the Texas Constitution.

SECTION 2. DEFINITION. In this Act, "district" means Mesa Underground Water Conservation District.

SECTION 3. BOUNDARIES. The district includes all of the territory located in Dawson County.

SECTION 4. FINDINGS RELATING TO BOUNDARIES. The legislature finds that the boundaries and field notes of the district form a closure. A mistake in the field notes or in copying the field notes in the legislative process does not affect the organization, existence, or validity of the district, the right of the district to levy and collect taxes, or the legality or operation of the district or its governing body.

SECTION 5. FINDING OF BENEFIT. All of the land and other
property included within the boundaries of the district will be benefited by the works and projects that are to be accomplished by the district under powers conferred by Article XVI, Section 59, of the Texas Constitution. The district is created to serve a public use and benefit.

SECTION 6. POWERS. (a) The district has all of the rights, powers, privileges, authority, functions, and duties provided by the general law of this state, including Chapters 50, 51, and 52, Water Code, applicable to underground water conservation districts created under Article XVI, Section 59, of the Texas Constitution. This Act prevails over any provision of general law that is in conflict or inconsistent with this Act.

(b) The rights, powers, privileges, authority, functions, and duties of the district are subject to the continuing right of supervision of the state to be exercised by and through the Texas Water Commission.

SECTION 7. BOARD OF DIRECTORS. (a) The district is governed by a board of five directors. A director must be 18 years of age or older.

(b) One director shall be elected from each commissioners precinct in Dawson County and one shall be elected from the district at large. To represent a commissioners precinct, the director must be a resident of that precinct.

(c) Temporary directors serve until initial permanent directors are elected under Section 9 of this Act.

(d) Initial permanent directors serve until permanent
directors are elected under Section 10 of this Act.

(e) Permanent directors other than initial permanent directors serve staggered four-year terms.

(f) Each director must qualify to serve as director in the manner provided by Sections 51.078 and 51.079, Water Code.

(g) A director serves until the director's successor has qualified.

SECTION 8. TEMPORARY DIRECTORS. (a) The temporary board of directors is composed of:

(1) Norris Barron
(2) Fred Bell
(3) Dan Harp
(4) Kent Nix
(5) Lloyd Cline

(b) If a temporary director fails to qualify for office, the Commissioners Court of Dawson County shall appoint a person to fill the vacancy.

SECTION 9. CONFIRMATION AND INITIAL DIRECTORS' ELECTION.

(a) The temporary board of directors shall call and hold an election to confirm establishment of the district and to elect five initial directors.

(b) A person who desires to be a candidate for the office of initial director may file an application with the temporary board to have the candidate's name printed on the ballot as provided by Section 51.075, Water Code.

(c) At the confirmation and initial directors' election, the
temporary board of directors shall have the names of the five persons serving as temporary directors placed on the ballot together with the name of any candidate filing for the office of director as provided by Subsection (b) of this section and blank spaces to write in the names of other persons. If the district is created at the election, the temporary directors, at the time the vote is canvassed, shall declare the person who receives the most votes for each position to be elected as an initial director and shall include the results of the directors' election in its election report to the Texas Water Commission.

(e) Except as provided by this section, a confirmation and initial directors' election must be conducted as provided by Subsections (b) through (g), Section 52.058, Water Code, and the Election Code.

SECTION 10. ELECTION OF DIRECTORS. On the first Saturday in May of the second year after the year in which the district is authorized to be created at a confirmation election, an election shall be held in the district for the election of directors. Directors elected from commissioner precincts 2 and 4 shall each serve two-year terms and directors elected from commissioner precincts 1 and 3 and the district at large shall each serve four-year terms. (a) The proper and legal notice of the intention to introduce this Act, setting forth the general substance of this Act, has been published as provided by law, and the notice and a copy of this Act have been furnished to all persons, agencies, officials, or entities to which they are required to be furnished by the constitution and other laws of this state, including the governor, who has submitted the notice and Act to the Texas Water Commission.

(b) The Texas Water Commission has filed its recommendations relating to this Act with the governor, lieutenant governor, and speaker of the house of representatives within the required time.

(c) All requirements of the constitution and laws of this state and the rules and procedures of the legislature with respect to the notice, introduction, and passage of this Act are fulfilled and accomplished.

SECTION 13. EMERGENCY. The importance of this legislation
and the crowded condition of the calendars in both houses create an
emergency and an imperative public necessity that the
