Heavenly Father, we praise you, for you are worthy of all praise and adoration. We thank you for the privilege of being able to pray and to love and to be here today serving in our various responsibilities. We recognize our responsibilities as a great stewardship from you, and what we do, we do for others and for you.

Lord, we need wisdom. Everyday and every minute of the day, we need wisdom from you. Give these men and women your wisdom. Give them and us an eye for those who have been beat up and left on the side of the roads of life, the needy who are our neighbors. We are our brother's keepers. Give us compassionate hearts.

Oh God of all creation, create in us a clean heart and a right spirit. Give these leaders a spirit of cooperation, conviction, and compromise, with the insight to know what things can and must change and those absolutes that must never change. Give them and us courage, Lord, in making right decisions, and in carrying them out the right way.

And now, oh Keeper of Israel who is able to keep us from stumbling, and to present us faultless before the presence of your glory with exceeding joy, to God our Savior, who alone is wise, be glory and majesty, dominion and

power, both now and forever, his name is Jesus, the name above every name, and in whose name we pray. Amen.

If an agreement is not reached, the state laws, local ordinances, and civil service rules remain unaffected. All agreements shall be written. Nothing in this subchapter requires either party to meet and confer on any issue or reach an agreement.

(b) A public employer may only meet and confer if the majority bargaining agent does not advocate the illegal right to strike by public employees.

(c) Police officers of a municipality may not engage in strikes or organized work stoppages against this state or a political subdivision of this state. A police officer who participates in a strike or work stoppage forfeits all civil service rights, reemployment rights, and any other rights, benefits, or privileges the police officer enjoys as a result of employment or prior employment.

Sec. 143.354. SELECTION OF MAJORITY BARGAINING AGENT. (a) Not later than January 31, 1998, representatives from each police employee group shall meet to select the majority bargaining agent. The majority bargaining agent must be selected unanimously.

(b) If the representatives of the police employee groups fail to meet or are unable to reach a unanimous consensus as to a majority bargaining agent before January 31, 1998, the selection of a majority bargaining agent will be governed by Section 143.355.

Sec. 143.355. ELECTION OF MAJORITY BARGAINING AGENT. (a) This section does not apply if a majority bargaining agent is selected under Section 143.354.

(b) The governing body of a police employee group, by resolution, may call for an election to select a majority bargaining agent. The election shall be held not earlier than the 60th day and not later than the 90th day after the date the resolution is adopted.

(c) All police officers employed by the municipality are entitled to vote in the election.

(d) The police employee group receiving a majority of the votes cast shall be the majority bargaining agent.

(e) If no police employee group receives a majority of the votes cast, the two police employee groups receiving the highest number of votes shall participate in a runoff election. The runoff election shall be held not later than the 30th day after the date of the initial election.

(f) If the police employee groups participating in the election are unable to agree on the procedures for the election, any group may request that the American Arbitration Association conduct the election and certify the results. Certification of the results of an election resolves the question of the selection of the majority bargaining agent.

(g) All police employee groups participating in the election shall share equally the expenses of the election. A police employee group that fails to pay its share of the election expenses forfeits the right to participate on the bargaining team under Section 143.356.

Sec. 143.356. BARGAINING TEAM; NEGOTIATIONS. (a) A bargaining team shall be created to advise the majority bargaining agent.

(b) The governing body of a police employee group may appoint one person to serve on the bargaining team.

(c) The majority bargaining agent will represent all police officers and negotiate with the public employer in an effort to reach an agreement. The bargaining team shall review any agreement reached between the majority bargaining agent and the public employer. A majority of the members of the bargaining team must approve the agreement before a ratification election can be held under Section 143.360.

(d) All police employee groups that are represented on the bargaining team shall share equally the expenses associated with the negotiation of an agreement by the majority bargaining agent. A police employee group that fails to reimburse the majority bargaining agent for the reasonable expenses incurred before the 30th day after the date the police employee group is notified of the expense forfeits all rights expressly granted to the police employee group under this subchapter, including its right to representation on the bargaining team.

Sec. 143.357. PAYROLL DUES DEDUCTIONS. After a majority bargaining agent is recognized, the public employer may not stop or prevent automatic payroll deductions for dues paid to a police employee group because the group is or is not the majority bargaining agent.

Sec. 143.358. OPEN RECORDS REQUIRED. All documents relating to an agreement between a majority bargaining agent and a public employer shall be available to the public in accordance with state statutes.

Sec. 143.359. ENFORCEABILITY OF AGREEMENT. (a) A written agreement made under this subchapter between a public employer and a majority bargaining agent and approved by the bargaining team is enforceable and binding on the public employer, the majority bargaining agent, police employee groups, and the police officers covered by the agreement if:

(1) the municipality's governing body ratified the agreement by a majority vote; and

(2) the agreement is ratified under Section 143.360.

(b) A state district court of the judicial district in which a majority of the population of the municipality is located has full authority and jurisdiction on the application of either party aggrieved by an action or omission of the other party when the action or omission is related to a right, duty, or obligation provided by any written agreement ratified as required by this subchapter. The court may issue proper restraining orders, temporary and permanent injunctions, and any other writ, order, or process, including contempt orders, that are

appropriate to enforcing any written agreement ratified as required by this subchapter.

Sec. 143.360. ELECTION TO RATIFY AGREEMENT. (a) The majority bargaining agent shall call an election to ratify any agreement reached with the public employer if the agreement has been approved by a majority of the bargaining team.

(b) All police officers of the municipality are eligible to vote in the election.

(c) The bargaining team shall establish procedures of the election by unanimous consensus.

(d) If the bargaining team is unable to agree on procedures for the election, any group represented on the bargaining team may request that the American Arbitration Association conduct the election and certify the results. Certification of the results of an election resolves the question concerning ratification of an agreement. All police employee groups represented on the bargaining team shall share equally the expenses of the election.

(e) A majority of all votes cast is required to ratify an agreement.

Sec. 143.361. AGREEMENT SUPERSEDES CONFLICTING PROVISIONS. (a) A written agreement ratified under this subchapter between a public employer and the majority bargaining agent supersedes a previous statute concerning wages, salaries, rates of pay, hours of work, and other terms of employment to the extent of any conflict with the previous statute.

(b) A written agreement ratified under this subchapter preempts all contrary local ordinances, executive orders, legislation, or rules adopted by the state or a political subdivision or agent of the state, such as a personnel board, a civil service commission, or a home-rule municipality.

(c) An agreement under this subchapter may not diminish or qualify any right, benefit, or privilege of an employee under this chapter or other law unless approved by a majority of the votes cast at the secret ballot election held by the majority bargaining agent to ratify the agreement.

Sec. 143.362. REPEAL OF AGREEMENT BY ELECTORATE. Within 45 days after the date an agreement is ratified and signed by the municipality and the majority bargaining agent, a petition signed by a number of registered voters equal to 10 percent of the votes cast at the most recent mayoral general election in the municipality may be presented to the municipal secretary calling an election for the repeal of the agreement, in which event the governing body shall reconsider the agreement, and, if it does not repeal the agreement, it shall call an election of the qualified voters to determine if they desire to repeal the agreement. The election shall be held as part of the next regularly scheduled municipal election or at a special election called by the governing body for that purpose. If at the election a majority of the votes are cast in favor of the repeal of the adoption of the agreement, the agreement becomes void. The ballot shall be printed to provide for voting for or against the proposition:

"Repeal of the adoption of the agreement ratified by the municipality and the police officers of the municipality concerning wages, salaries, rates of pay, hours of work, and other terms of employment."

Sec. 143.363. PROTECTED RIGHTS OF INDIVIDUAL EMPLOYEES. (a) For the purpose of any disciplinary appeal to either the civil service

commission or a hearing examiner, all police officers have the right to choose to be represented by any person of their choice or by the police employee group selected as the majority bargaining agent.

(b) An agreement may not interfere with the right of a member of a police employee group to pursue allegations of discrimination based on race, creed, color, national origin, religion, age, sex, or disability with the Commission on Human Rights or the Equal Employment Opportunity Commission or to pursue affirmative action litigation.

(2) Renumber subsequent SECTIONS of the bill accordingly.
