IN RE: HB1927 by Schaefer (relating to provisions governing the carrying of a firearm by a person who is 21 years of age or older and not otherwise prohibited by state or federal law from possessing the firearm and to other provisions related to the carrying, possessing, transporting, or storing of a firearm or other weapon; creating criminal offenses.), Conference Committee Report

The fiscal implications of the bill cannot be determined at this time due to a lack of reliable information to provide a reasonably sound basis for estimating the impact of the bill on the number of license to carry applications and due to the number of cases of noncompliance resulting in penalty revenue, costs, fines and fees being unknown.

The bill would amend and repeal various provisions of the Code of Criminal Procedure, the Education Code, the Government Code, the Penal Code, the Health and Safety Code, the Labor Code, and the Alcoholic Beverage Code relating to the carrying of a firearm by a person 21 years of age or older and not otherwise prohibited by state or federal law from possessing the firearm and to the carrying, possessing, transporting, or storing of a firearm or other weapon.

Among other provisions, the bill would repeal Penal Code Section 46.035, which relates to the unlawful carrying of a handgun by a license holder, and provide that criminal trespass based on entry with a firearm or other forbidden weapon is a Class C misdemeanor except when the person personally receives notice from the property owner or another person with apparent authority to act for the owner and subsequently fails to depart, in which case the offense is a Class A misdemeanor. The bill would also create certain Class A misdemeanor offenses relating to the carrying of handguns under certain conditions.

According to the Department of Public Safety (DPS), while there has been a steady and significant growth in the License to Carry program, there is a scarcity of data regarding the choices current or future handgun license holders may make regarding their preferences for obtaining a license or renewing a license that is not required. Additionally, public interest in a license to carry is affected by state and national events, which can cause significant increases in the number of applications. Based on the information provided by DPS, the fiscal impact of the bill cannot be determined due to a lack of reliable information to provide a reasonably sound basis for estimating the impact of the bill on the number of license to carry applications.

According to the Comptroller of Public Accounts, the fiscal impact with respect to the creation of new misdemeanor offenses cannot be determined as the number of cases of noncompliance resulting in penalty revenue, costs, fines and fees is unknown. The fiscal impact with respect to the number of licenses to carry applications also cannot be determined.

This analysis assumes implementing the provisions of the bill addressing felony sanctions for criminal offenses would not result in a significant impact on state correctional agencies and that the costs associated with the bill's provisions concerning a report on firearm statistics and an online firearm safety and handling course could be absorbed using existing resources.

According to the Texas Commission on Law Enforcement, Department of Family and Protective Services, and
Parks and Wildlife Department, no significant fiscal impact to the State is anticipated. The Office of Court Administration anticipates no significant fiscal impact to the state court system.

**Local Government Impact**

A Class C misdemeanor under the bill is punishable by a fine of not more than $200. A Class A misdemeanor is punishable by a fine of not more than $4,000, confinement in jail for a term not to exceed one year, or both. Costs associated with enforcement, prosecution and confinement could likely be absorbed within existing resources. Revenue gain from fines imposed and collected is not anticipated to have a significant fiscal implication.

Other fiscal implication to units of local government cannot be determined at this time.

IN RE: HB1927 by Schaefer (relating to provisions governing the carrying of a firearm by a person who is 21 years of age or older and not otherwise prohibited by state or federal law from possessing the firearm and to other provisions related to the carrying, possessing, transporting, or storing of a firearm or other weapon; creating criminal offenses.), Conference Committee Report

The provisions of the bill addressing felony sanctions are the subject of this analysis. The bill would amend various codes as they relate to provisions governing the carrying of a firearm by a person who is 21 years of age or older and not otherwise prohibited by state or federal law from possessing the firearm and to other provisions related to the carrying, possessing, transporting, or storing of a firearm or other weapon. Under the provisions of the bill, certain unlawful carrying of a handgun felony offenses would be repealed, unlawful carrying of a weapon offenses would be enhanced in certain circumstances, and the circumstances for certain other offenses would be modified. Under existing statute, unlawful carrying of a handgun by a license holder, unlawful carrying of a weapon, or unlawful possession of a firearm are punishable as a misdemeanor or felony based on the specific circumstances of the offense.

A second degree felony is punishable by confinement in prison for a term from 2 to 20 years and a third degree felony is punishable by confinement in prison for a term from 2 to 10 years. In addition to confinement, most felonies are subject to an optional fine not to exceed $10,000. A Class A misdemeanor is punishable by confinement in county jail for a term not to exceed one year and, in addition to confinement, an optional fine not to exceed $4,000.

Repealing or reducing the circumstances of felony offenses is expected to result in fewer demands upon the correctional resources of counties or of the State due to a decrease in the number of individuals placed onto supervision in the community or sentenced to a term of confinement within state correctional institutions while creating new offenses, expanding the circumstances for an offense, or enhancing the criminal penalty for offenses is expected to result in increased demands. From fiscal years 2018 through 2020, an average of 346 people were arrested, 23 were placed onto felony direct community supervision, and fewer than ten were admitted into a state correctional institution for the felony weapon and handgun related offenses modified in the bill under existing statute. Of those, an average of fewer than ten younger than 21 years at the time of offense were placed on felony direct community supervision or admitted into a state correctional institution for the third degree felony offense of unlawful carrying of a weapon. This analysis assumes implementing the provisions of the bill addressing felony sanctions would not result in a significant impact on state correctional populations or on the demand for state correctional resources.
Certification of Compliance with
Rule 13, Section 6(b), House Rules of Procedure

Rule 13, Section 6(b), House Rules of Procedure, requires a copy of a conference committee report signed by a majority of each committee of the conference to be furnished to each member of the committee in person or, if unable to deliver in person, by placing a copy in the member's newspaper mailbox at least one hour before the report is furnished to each member of the house under Rule 13, Section 10(a). The paper copies of the report submitted to the chief clerk under Rule 13, Section 10(b), must contain a certificate that the requirement of Rule 13, Section 6(b), has been satisfied, and that certificate must be attached to the copy of the report furnished to each member under Rule 13, Section 10(d). Failure to comply with this requirement is not a sustainable point of order.

I certify that a copy of the conference committee report on HB 927 was furnished to each member of the conference committee in compliance with Rule 13, Section 6(b), House Rules of Procedure, before paper copies of the report were submitted to the chief clerk under Rule 13, Section 10(b), House Rules of Procedure.
