(5) provide, as feasible, online technological assistance to improve the operations of appraisal review boards and appraisal districts

Amendment No. 1 was adopted.

Amendment No. 2

Representative C. Howard offered the following amendment to **HB 2317**:

Amend **HB 2317** on third reading as follows:

(1) Add the following sections to the bill, appropriately numbered, and renumber the subsequent sections of the bill accordingly:

SECTION _____. Sections 6.41(d), (e), and (f), Tax Code, are amended to read as follows:

(d) Members of the board are appointed by resolution of a majority of the appraisal district board of directors, except that the members of the board for an appraisal district established in a county with a population of 300,000 or more are appointed by order or resolution of the commissioners court of the county. A vacancy on the board is filled in the same manner for the unexpired portion of the term.

(e) Members of the board hold office for terms of two years beginning January 1. The appraisal district board of directors by resolution shall provide for staggered terms, so that the terms of as close to one-half of the members as possible expire each year. In making the initial or subsequent appointments, the board of directors or commissioners court, as applicable, shall designate those members who serve terms of one year as needed to comply with this subsection.

(f) A member of the board may be removed from the board by a majority vote of the appraisal district board of directors or by the commissioners court, as applicable. Grounds for removal are:

(1) a violation of Section 6.412, 6.413, 41.66(f), or 41.69; or

(2) good cause relating to the attendance of members at called meetings of the board as established by written policy adopted by a majority of the appraisal district board of directors.

SECTION _____. (a) As soon as practicable on or after January 1, 2010, the commissioners court of each county with a population of 300,000 or more shall in the manner provided by Section 6.41, Tax Code, as amended by this Act, appoint the members of the appraisal review board for the appraisal district established in the county. In making the initial appointments, the commissioners court shall designate those members who serve terms of one year as necessary to comply with Section 6.41(e), Tax Code, as amended by this Act.

(b) The term of a member of an appraisal review board established in a county with a population of 300,000 or more serving on December 31, 2009, expires on January 1, 2010.

(2) Strike Section 4 of the bill and substitute the following:

SECTION 4. (a) Except as provided by Subsection (b) of this section, this Act takes effect September 1, 2009.

(b) Sections 6.41(d), (e), and (f), Tax Code, as amended by this Act, take effect January 1, 2010.

CSHB 2259 ON SECOND READING

(by Crownover, Hardcastle, Farabee, Chisum, Gonzalez Tourelles, et al.)

CSHB 2259, A bill to be entitled An Act relating to the plugging of certain inactive oil or gas wells.

CSHB 2259 was read second time on April 27, an amendment was offered and disposed of, and **CSHB 2259** was postponed until 10 a.m. today.

CSHB 2259 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE C. HOWARD: Ms. Crownover, I think you've got a really good bill here, but I just want to make a couple of clarifications. The way I understand it is, if a well has been inactive for 10 years or more, the operator must remove the production surface equipment associated with the inactive well. So if someone had an old well, and had an old concrete poured-in-place platform, and still had pipe laying on the ground, they would have to come in and remove that equipment, is that correct?

REPRESENTATIVE CROWNOVER: Right, and this addresses something that the landowners have never had before, where in order to delay a plugging, they have to prove that they have all the electricity disconnected because of the danger of the electricity on an inactive well.

C. HOWARD: So if they have power polls standing there with wires on them, they would be responsible for removing those, is that correct?

CROWNOVER: Right, and each year they have to go back and get permission to remain inactive because some of these wells—there's a very important thing going on right now where we're doing this enhanced oil recovery, so you might want to go back into the well—

C. HOWARD: Might want to go back, right?

CROWNOVER: Right. But after five years, if you have remained inactive, then you have to make sure that all the batteries are drained and that there's no problem with corrosion. And after 10 years, you must remove everything from the property and have it back like it was. And I don't understand—this is a small

step if—you know, I am a landowner; I do have somebody else owning the mineral under my ground. I would like to have them disappear, but that is not state law, and we need a strong, healthy energy. Our schoolchildren need energy.

C. HOWARD: Yes, like I said, I like your bill. I'm like you, I'm a surface owner, and I have a poured-in-place platform that's been there for 40 years. It needs to be removed.

REMARKS ORDERED PRINTED

Representative C. Howard moved to print remarks between Representative Crownover and Representative C. Howard.

The motion prevailed.

Amendment No. 2

Representative Gallego offered the following amendment to **CSHB 2259**:

Amend **CSHB 2259** (House Committee Printing) as follows:

(1) In the recital to SECTION 1 of the bill (page 1, line 6), strike "and (13)" and substitute "(13), and (14)".

(2) In SECTION 1 of the bill, following proposed Section 89.002(a)(13), Natural Resources Code (page 2, following line 18), add the following:

(14) "Responsible party" means any person who assumed responsibility for operating a well before the current operator, as shown by forms filed with the commission, and who was responsible for operating the well within the last 10 years.

(3) Add the following SECTIONS to the bill, appropriately numbered, and renumber the subsequent SECTIONS of the bill accordingly:

SECTION _____. Subchapter B, Chapter 89, Natural Resources Code, is amended by adding Section 89.013 to read as follows:

Sec. 89.013. DUTY OF RESPONSIBLE PARTY. (a) If the operator of a well fails to comply with Section 89.011 and the nonoperators fail to comply with Section 89.012, each responsible party assumes the duty to plug the well in accordance with Section 89.011. If there is more than one responsible party, each responsible party is liable for the cost of plugging the well and for reimbursing the commission for the cost of enforcing this section, provided that each responsible party who bears all or part of the costs of plugging the well and enforcement of this section has a claim against:

(1) the defaulting operator and nonoperators for the entire amount spent by the responsible party; and

(2) the other responsible parties for their proportionate shares of the costs of plugging the well and enforcement of this section.

(b) In lieu of liability for plugging the well in accordance with Subsection (a), a responsible party may elect to submit a supplemental bond, letter of credit, or cash deposit to the commission in the amount necessary for the entire cost of plugging the well and enforcing this section to be covered by current and enforceable bonds, letters of credit, or cash deposits.

(c) The commission may consider the cost of enforcing this section when determining an operator's proportionate share.

SECTION _____. Section 89.042, Natural Resources Code, is amended by adding Subsection (c) to read as follows:

(c) If the nonoperators cannot be found, or if they lack the assets or refuse to plug the well under Subsection (b), the commission shall order the responsible parties to plug the well according to the rules of the commission in effect at the time the order is issued.

SECTION _____. Section 91.002(a), Natural Resources Code, is amended to read as follows:

(a) A person who wilfully or with criminal negligence violates Section 91.019 or 91.101 ~~[of this code]~~ or a rule, order, or permit of the commission issued under one of those sections ~~[that section]~~ commits an offense.

SECTION _____. Subchapter B, Chapter 91, Natural Resources Code, is amended by adding Section 91.019 to read as follows:

Sec. 91.019. ELECTRIC LINES. (a) An operator must ensure that electric lines associated with the operator's oil or gas wells do not present an unreasonable risk of causing a fire.

(b) An operator must ensure that all electric lines associated with the operator's oil or gas wells are properly connected to equipment that requires a source of power. Live electric lines may not at any time be left in contact with the ground while unattached to equipment that requires a source of power.

SECTION _____. Section 89.011(e), Natural Resources Code, is repealed.

Amendment No. 2 - Point of Order

Representative Chisum raised a point of order against further consideration of Amendment No. 2 under Rule 11, Section 2 of the House Rules on the grounds that the amendment is not germane to the bill.

The speaker overruled the point of order and submitted the following statement:

Mr. Chisum raises a point of order against further consideration of the Gallego amendment to **CSHB 2259** in that the amendment is not germane to the bill in violation of Rule 11, Section 2 of the House Rules.

The subject of **CSHB 2259** is the plugging of inactive wells. The bill establishes procedures in Chapter 89, Natural Resources Code, for proving that an operator's well is plugged and conditions renewal of an operator's certificate for active wells on the plugging of inactive wells or the granting of an extension to plug the inactive well by the commission. The bill also makes provisions for electric lines that feed inactive wells.

The amendment also amends Chapter 89 in a manner that encourages the plugging of inactive wells, albeit by another method (i.e. holding the former operator of the well responsible for plugging the well). The amendment also has provisions involving electrical lines that feed wells and requires that an operator ensure that those lines are properly connected. These provisions are clearly related to the subject or purpose of the bill, which is to encourage the plugging of inactive oil wells.

As such, the amendment is related to the purpose of the bill and is germane. See House Journal, 76th Legislature, Regular Session (1999), page 3709, in which the chair ruled that an amendment to a bill relating to procedures for summary judgement that added provisions relating to such was related to the purpose of the bill. The point of order is respectfully overruled.

MESSAGE FROM THE SENATE

A message from the senate was received at this time (see the addendum to the daily journal, Messages from the Senate, Message No. 2).
