Amendment No. 1

Representative Parker offered the following amendment to **HB 2230**:

Amend **HB 2230** (House Committee Printing) as follows:

(1) Strike SECTION 2 of the bill (page 2, lines 15-18) and substitute the following SECTIONS, appropriately numbered:

SECTION _____. Sections 23.55(a), (b), (e), (f), (m), and (n), Tax Code, are amended to read as follows:

(a) If the use of land that has been appraised as provided by this subchapter changes, an additional tax is imposed on the land equal to the difference between the taxes imposed on the land for each of the five years preceding the year in

which the change of use occurs that the land was appraised as provided by this subchapter and the tax that would have been imposed had the land been taxed on the basis of market value in each of those years [~~plus interest at an annual rate of seven percent calculated from the dates on which the differences would have become due~~]. For purposes of this subsection, the chief appraiser may not consider any period during which land is owned by the state in determining whether a change in the use of the land has occurred.

(b) A tax lien attaches to the land on the date the change of use occurs to secure payment of the additional tax [~~and interest~~] imposed by this section and any penalties incurred. The lien exists in favor of all taxing units for which the additional tax is imposed.

(c) A determination that a change in use of the land has occurred is made by the chief appraiser. The chief appraiser shall deliver a notice of the determination to the owner of the land as soon as possible after making the determination and shall include in the notice an explanation of the owner's right to protest the determination. If the owner does not file a timely protest or if the final determination of the protest is that the additional taxes are due, the assessor for each taxing unit shall prepare and deliver a bill for the additional taxes [~~plus interest~~] as soon as practicable. The taxes [~~and interest~~] are due and become delinquent and incur penalties and interest as provided by law for ad valorem taxes imposed by the taxing unit if not paid before the next February 1 that is at least 20 days after the date the bill is delivered to the owner of the land.

(f) The sanctions provided by Subsection (a) [~~of this section~~] do not apply if the change of use occurs as a result of:

- (1) a sale for right-of-way;
- (2) a condemnation;
- (3) a transfer of the property to the state or a political subdivision of the state to be used for a public purpose; or
- (4) a transfer of the property from the state, a political subdivision of the state, or a nonprofit corporation created by a municipality with a population of more than one million under the Development Corporation Act (Subtitle C1, Title 12, Local Government Code) to an individual or a business entity for purposes of economic development if the comptroller determines that the economic development is likely to generate for deposit in the general revenue fund during the next two fiscal bienniums an amount of taxes and other revenues that equals or exceeds 20 times the amount of additional taxes [~~and interest~~] that would have been imposed under Subsection (a) had the sanctions provided by that subsection applied to the transfer.

(m) For purposes of determining whether a transfer of land qualifies for the exemption from additional taxes provided by Subsection (f)(4), on an application of the entity transferring or proposing to transfer the land or of the individual or entity to which the land is transferred or proposed to be transferred, the comptroller shall determine the amount of taxes and other revenues likely to be generated as a result of the economic development for deposit in the general revenue fund during the next two fiscal bienniums. If the comptroller determines that the amount of those revenues is likely to equal or exceed 20 times the

amount of additional taxes [~~and interest~~] that would be imposed under Subsection (a) if the sanctions provided by that subsection applied to the transfer, the comptroller shall issue a letter to the applicant stating the comptroller's determination and shall send a copy of the letter by regular mail to the chief appraiser.

(n) Within one year of the conclusion of the two fiscal bienniums for which the comptroller issued a letter as provided under Subsection (m), the board of directors of the appraisal district, by official board action, may direct the chief appraiser to request the comptroller to determine if the amount of revenues was equal to or exceeded 20 times the amount of taxes [~~and interest~~] that would have been imposed under Subsection (a). The comptroller shall issue a finding as to whether the amount of revenue met the projected increases. The chief appraiser shall review the results of the comptroller's finding and shall make a determination as to whether sanctions under Subsection (a) should be imposed. If the chief appraiser determines that the sanctions provided by Subsection (a) shall be imposed, the sanctions shall be based on the date of the transfer of the property under Subsection (f)(4).

SECTION _____. Sections 23.58(c) and (d), Tax Code, are amended to read as follows:

(c) A provision in an instrument pertaining to a loan secured by a lien in favor of the lender on land appraised according to this subchapter that requires the borrower to make a payment to protect the lender from loss because of the imposition of additional taxes [~~and interest~~] under Section 23.55 is void unless the provision:

(1) requires the borrower to pay into an escrow account established by the lender an amount equal to the additional taxes [~~and interest~~] that would be due under Section 23.55 if a change of use occurred on January 1 of the year in which the loan is granted or amended;

(2) requires the escrow account to bear interest to be credited to the account monthly;

(3) permits the lender to apply money in the escrow account to the payment of a bill for additional taxes [~~and interest~~] under Section 23.55 before the loan is paid and requires the lender to refund the balance remaining in the escrow account after the bill is paid to the borrower; and

(4) requires the lender to refund the money in the escrow account to the borrower on the payment of the loan.

(d) On the request of the borrower or the borrower's representative, the assessor for each taxing unit shall compute the additional taxes [~~and interest~~] that would be due that taxing unit under Section 23.55 if a change of use occurred on January 1 of the year in which the loan is granted or amended. The assessor may charge a reasonable fee not to exceed the actual cost of making the computation.

SECTION _____. Sections 23.46(c) and (d), Tax Code, as amended by this Act, apply only to a sale or diversion to a nonagricultural use of land appraised under Subchapter C, Chapter 23, Tax Code, that occurs on or after the effective date of this Act.

CSHB 2873 ON SECOND READING

(by Hunter, Fletcher, Miklos, Moody, and Menendez)

CSHB 2873, A bill to be entitled An Act relating to the punishment prescribed for the offense of evading arrest or detention and to creating the offense of evading felony arrest or detention.

CSHB 2873 - POINT OF ORDER

Representative Dunnam raised a point of order against further consideration of **CSHB 2873** under Rule 4, Section 32(c) of the House Rules on the grounds that the bill analysis is incorrect.

The chair sustained the point of order and submitted the following statement:

Representative Dunnam raises a point of order against further consideration of **CSHB 2873** in that the bill analysis is incorrect, and, therefore, in violation of Rule 4, Section 32(c) of the House Rules.

CSHB 2873 relates to punishment prescribed for the offense of evading arrest or detention and creates an offense in connection with same under Section 38.04 of the Penal Code.

The bill analysis that accompanies **CSHB 2873** states that under current law "there are no enhanced penalties for repeat offenders." This statement is materially incorrect, however, because Section 38.04 of the Penal Code contains a provision that makes it felony of the third degree if the actor uses a vehicle while the actor is in the flight and the actor had been previously convicted under the section. Therefore, the bill analysis is materially and substantially misleading because it misstates current law which does provide for an enhanced penalty for repeat offenders.

Accordingly, the point of order is well taken and sustained.

CSHB 2873 was returned to the Committee on Criminal Jurisprudence.

AND MEMORIAL CALENDAR**

Representative McClendon moved to suspend all necessary rules to set a congratulatory and memorial calendar for 10 a.m. Monday, May 4.

The motion prevailed.

CSHB 1320 - (consideration continued)

The chair overruled the point of order and submitted the following statements:

Mr. Flores raises a point of order against further consideration of **CSHB 1320** on the grounds that the committee substitute is not germane to the original bill. The original bill defines six separate items of conduct as a new criminal offense of cockfighting. Four of the items are punishable as a state jail felony, one item is punishable as a Class A misdemeanor, and one item is punishable as a Class C misdemeanor. The committee substitute changed the penalty for the item punishable as a Class C misdemeanor to a Class A misdemeanor. Because multiple tiers of penalties for different conduct constituting cockfighting are contained in the filed bill, a committee substitute that reassigns the conduct to a different tier is in order.

The point of order is respectfully overruled.

Representative Flores raises a point of order against further consideration of **CSHB 1320** in that the minutes associated with **CSHB 1320** violate Rule 4, Section 18, and that the witness affirmation forms associated with **CSHB 1320**

violate Rule 4, Section 20. In particular it is alleged that both the witness list attached to the minutes and the witness forms do not accurately reflect that the witnesses testified on the committee substitute after it was laid out.

The March 17, 2009, minutes of the Subcommittee on Violent Crimes reflect that both the filed bill and the committee substitute were before the committee at the time testimony was taken. After a recess the filed bill and the substitute were again brought before the committee for further testimony. The witness affirmation forms state that all persons testified on **CSHB 1320** and the witness list attached to the minutes reflects this. Since both the filed bill and a committee substitute were before the committee at the same time, a witness was free to offer testimony on either one.

Based on the fact that both the filed version of **HB 1320** and the committee substitute were before the committee at the time testimony was taken, the point of order is respectfully overruled.

CSHB 1320, as amended, was passed to engrossment. (Guillen and T. King recorded voting no.) (The vote was reconsidered later today, and **CSHB 1320** was postponed until 10 a.m. Monday, May 4.)

(Farabee in the chair)

HB 2394, A bill to be entitled An Act relating to the requirements for recording a property owners' association management certificate.

Representative Heflin moved to postpone consideration of **HB 2394** until 10 a.m. Thursday, May 7.

The motion prevailed.

(Speaker in the chair)

CSHB 1320 - VOTE RECONSIDERED

Representative Peña moved to reconsider the vote by which **CSHB 1320**, as amended, was passed to engrossment.

The motion to reconsider prevailed.

CSHB 1320 ON SECOND READING (by Christian, et al.)
