(1) must require:

(A) the test to be administered electronically in the presence of a teacher, teacher's aide, proctor, or campus testing coordinator and be scored by that person or by the school district; and

(B) the results of the test to be submitted to the agency not later than the last instructional day of the school year in which the test is administered; and

To the extent of a conflict between this section and any other provision of law, this section controls.
