CSHB 4653 ON SECOND READING

(by Anchía, Rose, Frazier, J. González, Meyer, et al.)

CSHB 4653, A bill to be entitled An Act relating to participation in a deferred retirement option plan by members of the retirement systems for police and fire fighters in certain municipalities.

Amendment No. 1

Representative Ramos offered the following amendment to **CSHB 4653**:

Amend **CSHB 4653** (house committee printing) by adding the following appropriately numbered SECTION to the bill and renumbering subsequent SECTIONS of the bill accordingly:

SECTION _____. Article 6243a-1, Revised Statutes, is amended by adding Section 6.142 to read as follows:

Sec. 6.142. CONTINUING ACTUARIAL STUDY OF DROP. At least once every five years, the city council in cooperation with the board shall conduct an actuarial study of DROP for purposes of determining whether the plan continues to:

(1) be cost-neutral to the pension system; and
(2) meet the goal of lengthening the careers of police officers and firefighters in the city.

Amendment No. 1 was withdrawn.

CSHB 4653 - REMARKS

REPRESENTATIVE DAVIS: Chairman Anchía, is this similar to the past DROP program that they've had in the City of Dallas?

REPRESENTATIVE ANCHÍA: No, this would be a revised DROP program that would extend the eligibility date from 10 years to 20 years, so that we can keep senior officers on the force.

DAVIS: I understand that, and I don't have a problem with that part of the bill. I'm just trying to understand. One of the challenges has been regarding people being able to access the DROP funds that they're putting into the account. Does this change that at all? Will it allow for members to get—those who might want to draw their monies down, will it allow for them to do that?

ANCHÍA: It does not change that ability.

DAVIS: So at this point we're going to extend it from 10 to 20 years and we're not allowing members, if they have a need, or want, to get their monies down. They cannot do it. Is that right?

ANCHÍA: That is not covered by this bill. This only changes the eligibility criteria.

DAVIS: Good. And so the other question I have relative to that has to do with hardship: Does it change the language? Last year, we attempted to address hardship. Some of the families whose members were police or fire officers were deceased, but the members could not get access to funds for hardship. Does it change any of that language?

ANCHÍA: It does not. This is a rifle-shot approach, only changing eligibility criteria.

REMARKS ORDERED PRINTED

Representative Davis moved to print remarks between Representative Anchía and Representative Davis on **CSHB 4653**.

The motion prevailed.

A record vote was requested.

CSHB 4653 was passed to engrossment by (Record 970): 105 Yeas, 32 Nays, 2 Present, not voting.

Amendment No. 1 - Point of Order

Representative Zwiener raised a point of order against further consideration of Amendment No. 1 under Rule 11, Section 2, of the House Rules. The speaker sustained the point of order, announcing his decision to the house as follows:

Ms. Zwiener raises a point of order against further consideration of the Slaton Amendment (Amendment No. 1), under Rule 11, Section 2, on the grounds that the amendment is not germane.

The bill establishes a fund for "preserving, rehabilitating, and restoring historic sites throughout the state." The Slaton Amendment would require the historical commission, before it could receive additional fund distributions, to certify to the Legislative Budget Board that it had not contracted, consulted, or advertised with certain international organizations.

The amendment would require the commission to certify that it is refraining from an action that is not expressly prohibited by the bill. Because it is not a validly phrased limitation, it is not germane.

Accordingly, the point of order is well-taken and sustained.

The ruling precluded further consideration of Amendment No. 1.

CSHB 4419 ON SECOND READING**(by Goldman, Ashby, Hunter, Morrison, Collier, et al.)**

CSHB 4419, A bill to be entitled An Act relating to the promotion of film and television production in this state, including the eligibility of film or television productions for funding under the major events reimbursement program, the creation of a film events trust fund and a film production tax rebate trust fund, the establishment of virtual film production institutes, and the designation of media production development zones.

CSHB 4419 was read second time earlier today and was postponed until this time.

CSHB 4419 - POINT OF ORDER

Representative Tinderholt raised a point of order against further consideration of **CSHB 4419** under Rule 4, Section 32(c)(2), of the House Rules. The speaker sustained the point of order, announcing his decision to the house as follows:

Mr. Tinderholt raises a point of order against further consideration of **CSHB 4419** under Rule 4, Section 32(c)(2), on the grounds that the analysis is materially misleading.

In establishing a statutory scheme for the rebate of certain taxes in connection with film and television production in this state, the bill defines several key terms. The bill analysis explains some, but not all, of these definitions, which are critical in understanding eligibility for, and the operation of, the tax rebate program established by the bill. Because the analysis does not include the definitions for all key terms, it is materially misleading. See 87 H. Jour. 3032 (2021).

Accordingly, the point of order is well-taken and sustained.

CSHB 4419 was returned to the Committee on Culture, Recreation, and Tourism.
