Guide them with Your wisdom as they exercise their duties. Give them an extra measure of physical stamina and encourage them as they work faithfully keeping their sacred trust. SENATE RESOLUTION 621

Senator Williams offered the following resolution:

WHEREAS, Residents of Montgomery County are celebrating the contributions of their county to our state with a trip to the State Capitol on April 3, 2007; and

WHEREAS, Located in the East Texas Timberlands region, Montgomery County was the third county formed under the Republic of Texas; artifacts from the Paleo-Indian and Archaic cultures have been found in the area, suggesting a human presence more than 10,000 years ago; and

WHEREAS, Among the region's earliest Anglo-American settlers was Andrew Montgomery, who established a trading post at a site that became one of the county's first settlements and which eventually became the town of Montgomery; the Republic of Texas Congress officially established Montgomery County in 1837; and

WHEREAS, The construction of the railroads toward the end of the 19th century led to a significant economic transformation in the region, and in 1932, oil was discovered southeast of Conroe; and

WHEREAS, Today, the county's industries still include oil and lumber, but its abundant lakes and its forest land also make it an attractive destination for many; opportunities for hunting, boating, fishing, and hiking abound in the Sam Houston National Forest, the W. Goodrich Jones State Forest, Lake Conroe, Spring Creek, and Lake Woodlands; and

WHEREAS, Many charming towns dot the landscape of Montgomery County, including the county seat, Conroe; the region's first settlement, Montgomery; the cities of Porter, Oak Ridge, and Shenandoah, which provide comfortable residential neighborhoods for some of the county's population; and the township of Willis, which originally thrived with a successful tobacco industry and now has a profitable timber and farming economy; and

WHEREAS, The Woodlands, a master-planned community where its residents live, work, play, and learn, is located in southern Montgomery County and is home to The Cynthia Woods Mitchell Pavillion, which in the year 2006, was ranked the fourth-best-attended outdoor music facility in the nation; the community also features a 1.25-mile-long waterway which serves as a transportation corridor linking offices, retail stores, and dining and entertainment venues; and

WHEREAS, The town of Cut and Shoot earned its unique name after a 1912 community dispute over the design of a new steeple for the town's only church and land claims among church members; when the issue reached a boiling point, a young boy near the church reportedly yelled, "I'm going to cut around the corner and shoot through the bushes," which stuck in the minds of residents, who soon adopted the name Cut and Shoot; and

WHEREAS, The residents of Montgomery County may take justifiable pride in their region's rich heritage, and it is a pleasure to honor them as they look forward to a bright and promising future; now, therefore, be it

RESOLVED, That the Senate of the State of Texas, 80th Legislature, hereby recognize April 3, 2007, as Montgomery County Day at the State Capitol and extend

to the county's citizens here today sincere best wishes for an enjoyable visit to Austin; and, be it further

SENATE BILL 718 ON SECOND READING

On motion of Senator Ogden and by unanimous consent, the regular order of business was suspended to take up for consideration **SB 718** at this time on its second reading:

SB 718, Relating to the route selection for the Trans-Texas Corridor.

The bill was read second time and was passed to engrossment by a viva voce vote.

All Members are deemed to have voted "Yea" on the passage to engrossment except as follows:

Absent-excused: Gallegos.

SENATE BILL 718 ON THIRD READING

Senator Ogden moved that Senate Rule 7.18 and the Constitutional Rule requiring bills to be read on three several days be suspended and that **SB 718** be placed on its third reading and final passage.

The motion prevailed by the following vote: Yeas 29, Nays 1.

Nays: Wentworth.

Absent-excused: Gallegos.

Reason for Vote

Senator Wentworth submitted the following reason for vote on suspension of the Constitutional Three-day Rule:

I cast a "No" vote on the procedural motion to suspend the Constitutional Rule requiring that bills be read on three several days in order to take up and consider **SB 718**, because in my judgment no circumstance exists in this case to justify the extraordinary act of suspending a requirement of the Texas Constitution. The suspension of this Constitutional Rule has the direct and immediate effect of denying the people of Texas knowledge and notice of the passage of this measure until it has already been finally passed on third reading. Were we to have followed the requirement of the Texas Constitution, third reading and a vote on **SB 718** would have occurred on the next legislative day, allowing for Texans to have learned through news reports of our second reading vote exactly what we had tentatively passed. Third reading and a vote on the next legislative day would also have allowed our professional staff an opportunity overnight to make sure any amendments passed on second reading are technically correct.

/s/Jeff Wentworth
Senator, District 25

Absent-excused: Gallegos.

Absent-excused: Gallegos.

SENATE BILL 362 ON THIRD READING

The motion prevailed by the following vote: Yeas 29, Nays 1.

Nays: Wentworth.

Absent-excused: Gallegos.

Reason for Vote

Senator Wentworth submitted the following reason for vote on suspension of the Constitutional Three-day Rule:

I cast a "No" vote on the procedural motion to suspend the Constitutional Rule requiring that bills be read on three several days in order to take up and consider **SB 362**, because in my judgment no circumstance exists in this case to justify the extraordinary act of suspending a requirement of the Texas Constitution. Reason for Vote

Senator Wentworth submitted the following reason for vote on suspension of the Constitutional Three-day Rule:

I cast a "No" vote on the procedural motion to suspend the Constitutional Rule requiring that bills be read on three several days in order to take up and consider **SB 802**, because in my judgment no circumstance exists in this case to justify the extraordinary act of suspending a requirement of the Texas Constitution. The suspension of this Constitutional Rule has the direct and immediate effect of denying the people of Texas knowledge and notice of the passage of this measure until it has already been finally passed on third reading. Were we to have followed the requirement of the Texas Constitution, third reading and a vote on **SB 802** would have occurred on the next legislative day, allowing for Texans to have learned through news reports of our second reading vote exactly what we had tentatively passed. Third reading and a vote on the next legislative day would also have allowed our professional staff an opportunity overnight to make sure any amendments passed on second reading are technically correct.

/s/Jeff Wentworth
Senator, District 25

The bill was read third time.

(3) except as provided by Subsection (b), designate the department, agency, or office of the local authority responsible for the enforcement and administration of the ordinance or provide that the entity with which the local authority contracts under Section 707.003(a)(1) is responsible for the enforcement and administration of the ordinance.

(b) A police department may not enforce or administer an ordinance adopted under Section 707.002.

The amendment to **SB 1119** was read.
