SENATE BILL 450 ON SECOND READING

On motion of Senator Uresti and by unanimous consent, the regular order of business was suspended to take up for consideration **CSSB 450** at this time on its second reading:

CSSB 450, Relating to enrollment and participation in certain research programs of certain children in foster care.

The bill was read second time.

Senator Uresti offered the following amendment to the bill:

Floor Amendment No. 1

Amend **CSSB 450** as follows:

(1) In SECTION 2 of the bill, in added Section 266.0041(a), Family Code (Senate committee printing page 1, line 34), between "section" and the period, insert ", unless the person is the foster child's parent and the person has been authorized by the court to make medical decisions for the foster child in accordance with Section 266.004".

(2) In SECTION 2 of the bill, in added Section 266.0041(b)(4), Family Code (Senate committee printing page 1, line 55), between "interest" and the period, insert "and determine that the enrollment and participation in the drug research program will not interfere with the appropriate medical care of the foster child".

(3) In SECTION 2 of the bill, in added Section 266.0041(f), Family Code (Senate committee printing page 2, line 36), between "advocate," and "except" insert "including a physician or nurse or an attorney who has experience in medical and health care,".

**COMMITTEE SUBSTITUTE
SENATE BILL 450 ON THIRD READING**

Senator Uresti moved that Senate Rule 7.18 and the Constitutional Rule requiring bills to be read on three several days be suspended and that **CSSB 450** be placed on its third reading and final passage.

The motion prevailed by the following vote: Yeas 29, Nays 1.

Nays: Wentworth.

Absent-excused: Gallegos.

Reason for Vote

Senator Wentworth submitted the following reason for vote on suspension of the Constitutional Three-day Rule:

I cast a "No" vote on the procedural motion to suspend the Constitutional Rule requiring that bills be read on three several days in order to take up and consider **CSSB 450**, because in my judgment no circumstance exists in this case to justify the

extraordinary act of suspending a requirement of the Texas Constitution. The suspension of this Constitutional Rule has the direct and immediate effect of denying the people of Texas knowledge and notice of the passage of this measure until it has already been finally passed on third reading. Were we to have followed the requirement of the Texas Constitution, third reading and a vote on **CSSB 450** would have occurred on the next legislative day, allowing for Texans to have learned through news reports of our second reading vote exactly what we had tentatively passed. Third reading and a vote on the next legislative day would also have allowed our professional staff an opportunity overnight to make sure any amendments passed on second reading are technically correct.

/s/Jeff Wentworth
Senator, District 25

The bill was read third time and was passed by the following vote: Yeas 30, Nays 0.

Absent-excused: Gallegos.

I cast a "No" vote on the procedural motion to suspend the Constitutional Rule requiring that bills be read on three several days in order to take up and consider **CSSB 1644**, because in my judgment no circumstance exists in this case to justify the extraordinary act of suspending a requirement of the Texas Constitution. The suspension of this Constitutional Rule has the direct and immediate effect of denying the people of Texas knowledge and notice of the passage of this measure until it has already been finally passed on third reading. Were we to have followed the requirement of the Texas Constitution, third reading and a vote on **CSSB 1644** would have occurred on the next legislative day, allowing for Texans to have learned through news reports of our second reading vote exactly what we had tentatively passed. Third reading and a vote on the next legislative day would also have allowed our professional staff an opportunity overnight to make sure any amendments passed on second reading are technically correct.

REMARKS ORDERED PRINTED

On motion of Senator Watson and by unanimous consent, the remarks regarding Floor Amendment No. 3 to **CSSB 889** were ordered reduced to writing and printed in the *Senate Journal* as follows:

Senator Watson: Thank you Mr. President. Members, to ensure that the charges permitted under this bill for locating, and the language of the bill says locating, compiling, and producing responsive documents, are not exorbitant charges, and to ensure that the charges are genuinely consistent from one governmental entity to another, I offer Floor Amendment No. 3 to the Committee Substitute to Senate Bill 889 that will allow the Attorney General to prescribe rules for administrative charges associated with locating, compiling, and producing information responsive to a public information request. And, for the purposes of legislative history, if I might ask, Senator Wentworth, we have talked about this and it's my understanding that your intent is that charges incurred by a government entity through an outside attorney's

review of documents are not a charge that would be associated with producing a responsive document and, therefore, not a charge that can be passed on to the requestor of the public information.

Senator Wentworth: That is correct, Senator Watson, that's my intent.

Senator Watson: Thank you, Senator.

Senator Wentworth: Yours, too, I think.

Senator Watson: Thank you. That is certainly one of my purposes for offering Amendment No. 3, to establish that costs charged by outside counsel for time spent reviewing documents for responsiveness to a Public Information Act request to a governmental entity who is a client are not to be costs associated with producing the document and, therefore, not eligible to be passed on to a requestor under this bill. Members, like my previous amendment, this amendment applies to the provisions related to Section 4 of the bill, pertaining to charges for making available documents responsive to a request. Mr. President, like my previous amendment, this amendment is acceptable to the author.

Senator Hinojosa: I'm a little bit confused, Senator Watson. I have an amendment here that talks about the Attorney General's office prescribing the rules under which charges will be made by the cities, is that the amendment you're discussing right now?

Senator Watson: Yes, it is.

Senator Hinojosa: Well how does it work right now? Who sets the parameters as to how to take care of and store a document, how much to charge?

Senator Watson: There is not a standard procedure and that's one of the reasons that, in working with Senator Wentworth on this bill, I wanted to make sure that there would be at least some continuity across the board on how governmental entities ought to calculate what they're going to charge for.

Senator Hinojosa: So the Attorney General's office would be the agency that would set this rule statewide as to how much to charge, how to store them, how to handle the situations?

Senator Watson: Not necessarily how much to charge, but how they would go about compiling and calculating those charges on the production, on the compilation, those sorts of things.

Senator Hinojosa: I just want to make sure that we're not taking away the authority or at least the responsibility from the cities to be able to, at least, control as to how they provide information to the public.

Senator Watson: No. I agree with you. And, Senator, what this amendment is intended to do is two things. One is to allow for standardization on how you go about charging for certain things and, second, to make clear that as part of the cost of producing, there will not be a charge for outside counsel who might be called in to review those and cause exorbitant fees for the public, the member of the public that's seeking those documents.

Senator Hinojosa: I got you. Thank you for the explanation.

Senator Watson: Thank you.

The motion prevailed by the following vote: Yeas 29, Nays 1.

Nays: Wentworth.

Absent-excused: Gallegos.

Reason for Vote

Senator Wentworth submitted the following reason for vote on suspension of the Constitutional Three-day Rule:

I cast a "No" vote on the procedural motion to suspend the Constitutional Rule requiring that bills be read on three several days in order to take up and consider **CSSB 10**, because in my judgment no circumstance exists in this case to justify the extraordinary act of suspending a requirement of the Texas Constitution. The suspension of this Constitutional Rule has the direct and immediate effect of denying the people of Texas knowledge and notice of the passage of this measure until it has already been finally passed on third reading. Were we to have followed the requirement of the Texas Constitution, third reading and a vote on **CSSB 10** would have occurred on the next legislative day, allowing for Texans to have learned through news reports of our second reading vote exactly what we had tentatively passed. Third reading and a vote on the next legislative day would also have allowed our professional staff an opportunity overnight to make sure any amendments passed on second reading are technically correct.

Senator, District 25

The bill was read third time and was passed by the following vote: Yeas 30, Nays 0.

Absent-excused: Gallegos.

REMARKS ORDERED PRINTED

On motion of Senator Hinojosa and by unanimous consent, the following exchange between Senators Nelson and Hinojosa regarding **CSSB 10** was ordered reduced to writing and printed in the *Senate Journal*:

Senator Hinojosa: Cameron, Hidalgo, and Maverick counties are protected by statute against the use of health maintenance organizations to deliver medical assistance under Medicaid?

Senator Nelson: Yes.

Senator Hinojosa: In other words, by law Medicaid managed care using HMOs is prohibited in these counties to protect patient access and vulnerable populations?

Senator Nelson: Yes.

Senator Hinojosa: Would you agree the waiver authority granted HHSC in **CSSB 10** does not in any way allow the state to implement or override this statutory prohibition against HMOs in these counties?

Senator Nelson: Yes.
