Committee Report (Unamended)

BACKGROUND AND PURPOSE

According to interested parties, Trinity Valley Community College has seen significant growth in its represented areas due to annexation, and there is a possibility that additional independent school districts will join the community college district and be entitled to representation on the district's governing board. H.B. 916 seeks to allow for the expansion of membership on the community college district's governing board to address such growth.

CRIMINAL JUSTICE IMPACT

It is the committee's opinion that this bill does not expressly create a criminal offense, increase the punishment for an existing criminal offense or category of offenses, or change the eligibility of a person for community supervision, parole, or mandatory supervision.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
