S.B. 2007  
By: Kolkhorst  
Special Purpose Districts  
Committee Report (Unamended)

### **BACKGROUND AND PURPOSE**

Continuing development and growth in Fort Bend County has created the need for permanent improvements such as water supply and distribution facilities, wastewater collection and treatment facilities, drainage and flood control projects and major thoroughfare improvements. Article XVI, Section 59, and Article III, Section 52, of the Constitution provide for the creation of local governmental districts which are authorized to incur indebtedness to provide such permanent improvements and to levy taxes for the maintenance and operation of such improvements and for the repayment of such indebtedness.

S.B. 2007 amends current law relating to the creation of the Fort Bend County Municipal Utility District No. 219, grants a limited power of eminent domain, provides authority to issue bonds, and provides authority to impose assessments, fees, and taxes.

### **CRIMINAL JUSTICE IMPACT**

It is the committee's opinion that this bill does not expressly create a criminal offense, increase the punishment for an existing criminal offense or category of offenses, or change the eligibility of a person for community supervision, parole, or mandatory supervision.

### **RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
