

**BILL ANALYSIS**

C.S.S.B. 530  
By: Hancock  
Transportation  
Committee Report (Substituted)

**BACKGROUND AND PURPOSE**

Interested parties have noted that the authority that certain airport governing boards have to administer passenger transport licenses for vehicles transporting passengers to and from an airport is limited to the licensing only of taxicab services. C.S.S.B. 530 seeks to address this issue by providing for the authority of certain airport governing boards to license other vehicles for hire for passenger transportation services to and from airport terminals.

**CRIMINAL JUSTICE IMPACT**

It is the committee's opinion that this bill does not expressly create a criminal offense, increase the punishment for an existing criminal offense or category of offenses, or change the eligibility of a person for community supervision, parole, or mandatory supervision.

**RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

**ANALYSIS**

C.S.S.B. 530 amends the Transportation Code to authorize a joint board operating a county or municipal airport for which the constituent agencies are home-rule municipalities with a population of more than 400,000 to license vehicles for hire, including taxicabs, and passenger transportation services providing services to or from the airport for compensation and to impose fees for issuing the licenses.

**EFFECTIVE DATE**

On passage, or, if the bill does not receive the necessary vote, September 1, 2015.
