GUERRERO TRAVELS TO MEXICO ON BEHALF OF THE GOVERNOR-ELECT

AUSTIN, Tex.- - The Texas Inaugural Committee announced today that State Representative Lena Guerrero traveled to Mexico this morning on behalf of Governor-elect Ann Richards to personally invite four Mexican Governors to the 1991 Inauguration.

The invited governors represent the four Mexican states bordering Texas. They include: Dr. Jorge A. Trevino Martinez of Nuevo Leon, Lic. Eliseo Mendoza Berruetto from Coahuila, Lic. Fernando Baeza Melendez from Chihuahua, and Ing. Americo Villarreal Guerra from Tamaulipas.

"Governor-elect Richards asked Representative Guerrero to serve as her personal representative and to express to each governor that Texas' friendship and commerce with Mexico is a high priority in then Richards administration," said Cathy Bonner, Chair of the 1991 Inaugural Committee.

Representative Guerrero will meet with the four Governors over the next three days. Transportation is being donated to the Inaugural Committee so that Representative Guerrero is not traveling at taxpayers expense.
