Digest: This bill re-appropriates \$195,000.00 unencumbered balance to the Schools for the Deaf and for the Blind for operating expenses for the fiscal year ending August 31, 1974.

Comments

In 1973-1974, the Superintendents of the above schools were asked to economize which eventually generated a surplus of \$195,000.00. It is estimated that in 1975 there will be a \$180,000.00 deficit due in large part to the utility costs.

The purpose of this bill is to enable the schools to meet the increased costs.
