Prepared by LBB Staff, 03/09/2021

Overview

Add funding and a new rider at the Department of State Health Services to direct funds to the City of Laredo’s Health Department for the purpose of improving border laboratory capacity to receive a Laboratory Response Network certification.

Rapid Laboratory Detection along the Texas/Mexico Border is paramount for early detection and intervention, disease control. This is especially critical for new and emerging diseases such as COVID-19. Rapid Laboratory Detection is part of the health and bio-security response. Currently the laboratory capacity is not certified by the Texas Department of State Health Services to serve as a Laboratory Response Network (LRN) lab to detect bioterrorism agents, emerging and novel public health threats and emergencies and other public health threats.

Laredo has a biosafety laboratory level III (BSL III) that was built in partnership with DSHS with the intent of becoming an LRN to enhance laboratory capacity on the Texas/Mexico Border. This would enhance the response to current and new biological threats. This certification will also facilitate Food Emergency Response Network (FERN) approval to reduce the risk of foodborne threats.

Required Action

- 1) On page II-XX of the Department of State Health Services’ bill pattern, increase appropriations in Strategy A.4.1, Laboratory Services, by \$500,000 in General Revenue Funds in fiscal year 2022 and in fiscal year 2023.
- 2) On page II-XX of the Department of State Health Services bill pattern, add the following rider:

_____. **Border Laboratory Capacity.** Out of the amounts appropriated above in Strategy A.4.1, Laboratory Services, the Department of State Health Services shall transfer \$X in each fiscal year of the biennium out of General Revenue Funds to the City of Laredo’s Health Department for the purpose of improving laboratory capacity to receive a Laboratory Response Network certification.

1 Amend C.S.S.B. No. 1 (house committee printing) in Article II
2 of the bill, following the appropriations to the Health and Human
3 Services Commission (page II-47), by adding the following
4 appropriately numbered rider and renumbering subsequent riders
5 accordingly:

6 _____. Utilization of Federal Relief Dollars for Medicaid
7 Home and Community Based Services Programs. It is the intent of
8 the Legislature that any Federal Funds provided to the Health and
9 Human Services Commission (HHSC) for the provision of home and
10 community-based services (HCBS) in the Families First Coronavirus
11 Relief Act (FFCRA), Coronavirus Aid, Relief, and Economic Security
12 (CARES) Act, the American Rescue Plan Act of 2021, or any other
13 federal COVID-19 relief bill be subject to the following
14 conditions:

15 (a) HHSC shall only expend such funds on Medicaid initiatives
16 that:

17 (1) directly increase access to care, including direct
18 service provisions, rate increases for all providers of direct
19 services, supplies, and equipment;

20 (2) increasing waiver and emergency diversion slots and
21 decreasing interest lists;

22 (3) funding of new and existing state laws governing
23 the operation or implementation of the Medicaid program;

24 (4) exploring opportunities to draw additional federal
25 funding provided by the Advancing Care for Exceptional (ACE) Kids

1 Act; and

2 (5) achieving full compliance with federal law and
3 regulations governing HCBS, including federal HCBS settings rules.

4 (b) HHSC shall ensure funds identified for provider rate
5 increases are directly reimbursed to providers of direct services,
6 supplies, and equipment;

7 (c) HHSC shall ensure that managed care organizations
8 reimburse the full amount of funds referenced under subsection
9 (a) (1) to providers of direct services, supplies, and equipment;

10 (d) HHSC shall not use or expend funds directly or indirectly
11 for payroll of any kind, contract administration, or
12 administrative services provided by managed care organizations.
13 Funds identified for provider rate increases may not be used
14 directly or indirectly for administrative services, payroll,
15 bonuses, or costs unallowable under state or federal law or
16 regulation or the Uniform Managed Care Contract; and

17 (e) HHSC shall only use these funds for the purposes set out
18 in this provision to supplement, not supplant, state dollars
19 appropriated for the operation of the Medicaid program.

Amend CSSB 1 as follows:

1) In Article II of the bill, amend Rider 37 Women's Health Programs: Savings and Performance Reporting as follows:

37. Women's Health Programs: Savings and Performance Reporting. The Health and Human Services Commission shall submit an annual report on the Healthy Texas Women (HTW), Healthy Texas Women Plus (HTW Plus), Family Planning Program (FPP), and Breast and Cervical Cancer Services Program, due August 1 of each year, to the Legislative Budget Board and the Governor's Office that includes the following information for each program:

- (a) Enrollment levels of targeted low-income women and service utilization by geographic region, including total number of unduplicated patients served, delivery system, and age from the prior two fiscal years;
- (b) Savings or expenditures in the Medicaid program that are attributable to enrollment levels as reported in section (a);
- (c) Descriptions of all outreach activities undertaken for the reporting period, including those focused on recruiting new specialty provider types;
- (d) The total number of providers, by geographic region and provider type, enrolled in each program, and providers from legacy Women's Health Programs (including Texas Women's Health Program) not to include duplications of providers or ancillary providers;
- (e) The average and median numbers of program clients, and the total number of unduplicated patients served, detailed by provider;
- (f) The number of program clients with a paid claim, detailed by provider type
- (g) The number of eligible clients who received FPP services after the provider exhausted the contracted funds awarded to provide FPP services (i.e funds gone) and the amount of FPP funds that would have been reimbursed for these services if additional FPP funds had been available during the fiscal year;

- (h) The count of women in HTW and FPP receiving a long-acting reversible contraceptive;
- (i) The service utilization by procedure code. The annual report submitted as required above must satisfy federal reporting requirements that mandate the most specific, accurate, and complete coding and reporting for the highest level of specificity
- (j) Total expenditures, by method of finance and program;
- (k) Results of policies designed to reduce enrollment gaps, including but not limited to the number of unduplicated women automatically or administratively-enrolled into HTW from other Medicaid programs or the Children's Health Insurance Program, recommendations for further reducing enrollment gaps, and any impacts to funding resulting from procedural denials and enrollment gaps in HTW; and
- (l) Number of unduplicated women who are determined eligible and enrolled into HTW after their Medicaid for Pregnant Women ends. It is the intent of the Legislature that if the findings of the report show a reduction in women enrolled or of service utilization of greater than ten percent relative to the prior two fiscal years, the agency shall, within existing resources, undertake corrective measures to expand provider capacity and/or client outreach and enrollment efforts.

This report shall also identify program changes that would maximize outreach and enrollment. HHSC shall work with women's health providers, advocates, and other stakeholders. It is the intent of the Legislature, any changes to program administration that may significantly impact client services and enrollment shall be reported to the Legislature within 30 days of the agency becoming aware of the change with information regarding the projected impact of the change.

BY: A. Johnson of Harris

Amend CSSB 1 as follows:

1) In Article II of the bill, amend Rider 40 as follows

40. Primary Care and Specialty Care Provisions

(a) **Consent for Services.**

- (1) No state funds appropriated above for Medicaid Family Planning or for the Family Planning Program in Strategy D.1.1, Women's Health Programs, may be expended by the Health and Human Services Commission (HHSC) to dispense prescription drugs to minors without parental consent unless the minor has one or more dependents and the prescription drug is an FDA approved contraceptive drug. An exemption shall be allowed for non-parents and minors pursuant to Family Code Chapter 32.
- (2) HHSC may distribute funds for medical, dental, psychological, or surgical treatment provided to a minor only if consent to treatment is obtained pursuant to Family Code Chapter 32. In the event that compliance with this subsection would result in the loss of Federal Funds to the state, HHSC may modify, or suspend this subsection to the extent necessary to prevent such loss of funds, provided that 45-day prior notification is provided to the Governor and the Legislative Budget Board.

(b) Services Providers: Limitations. No funds appropriated above may be expended by HHSC on the following:

- (1) To compensate providers for the Breast and Cervical Cancer Services Program in Strategy D.1.1, Women's Health Programs, that would be ineligible to participate pursuant to 15 Texas Administrative Code § 392.607. If HHSC is unable to locate a sufficient number of eligible providers offering services in a permanent setting in a certain region, the

agency may compensate other local providers for the provision of breast and cervical cancer screening services; and

- (2) To contract with providers for the Primary Health Care Program in Strategy D.1.11, Community Primary Care Services, that would be ineligible to participate pursuant to Health and Safety Code § 31.006.

(c) Allocation of Funds for Family Planning Services. HHSC shall allocate funds appropriated above in Strategy D.1.1, Women's Health Programs, for the Family Planning Program, using a methodology that prioritizes distribution and reallocation to first award public entities that provide family planning services, including state, county, local community health clinics, Federally Qualified Health Centers, and clinics under the Baylor College of Medicine; secondly, non-public entities that provide comprehensive primary and preventative care as a part of their family planning services; and thirdly, non-public entities that provide family planning services but do not provide comprehensive primary and preventative care. HHSC shall in compliance with federal law ensure the distribution and allocation methodology for funds in Strategy D.1.1, Women's Health Programs, for the Family Planning Program, does not severely limit or eliminate access to services to any region. Out of funds appropriated above in Strategy D.1.1, Women's Health Programs, for the Family Planning Program, up to \$1,000,000 each fiscal year may be allocated to clinics for core family planning services provided under the auspices of Baylor College of Medicine.

BY: Donna Howard

Amend C.S.S.B. 1, as follows:

- (1) On page III-55 of the Higher Education Coordinating Board’s bill pattern, amend the following rider:

Professional Nursing Shortage Reduction Program. Appropriations for the Professional Nursing Shortage Reduction program, which are included in Strategy C.1.3, Medical Education and Health Related Workforce Development, total ~~\$9,940,024~~9,440,024 in fiscal year 2022 and ~~\$9,940,024~~9,440,024 in fiscal year 2023. These funds shall be allocated as follows:

The Texas Higher Education Coordinating Board (THECB) shall allocate the funds appropriated in their bill pattern in Strategy C.1.3, as follows:

- a. Up to 5 percent each year may be used for administrative expenses.
- b. ~~Funds \$3,123,557 in fiscal year 2022 and \$3,123,557 in fiscal year 2023~~ shall be distributed in an equitable manner to institutions with nursing programs, including institutions graduating their first nursing class, based on increases in numbers of nursing students graduating. Nursing graduates include graduates for both initial licensure and bachelor's completion, RN-to-BSN programs. The THECB shall apply a weight of 1.5 for increased graduates in nursing educator programs identified with a Classification of Instructional Program code of 51.3808 and 51.3817. The THECB shall allocate up to 50 percent in each fiscal year of the biennium and any unexpended amounts to community colleges.
- ~~c. \$4,302,157 in fiscal year 2022 and \$4,302,157 in fiscal year 2023 shall be distributed at a rate of \$10,000 per year for each additional nursing student enrolled in a professional nursing program to institutions with professional nursing programs based on the following criteria: (1) a graduation rate of 70 percent or above as reflected in the final 2020 graduation rates reported by the THECB and (2) an increase in new enrollees for fiscal year 2020 and in fiscal year 2021 of the first year enrollments for the 2019-20 academic year as reported by the institutions to the Texas Center for Nursing Workforce Studies. The percentage increase required each year of the biennium shall be determined by the Higher Education Coordinating Board in consultation with eligible nursing programs. The methodology for determining the required percentage increase may allow for the required increase to vary by institution and account for the reallocation of unearned funds.~~
- ~~d. \$2,014,310 in fiscal year 2022 and \$2,014,310 in fiscal year 2023 to (1) professional nursing programs with nursing graduation rates below 70 percent as reflected in the final 2020 graduation rates reported by the THECB, (2) hospital-based diploma programs, or (3) new professional nursing programs whose graduation rates which have not been determined by the THECB. From funds available for that purpose, institutions shall receive \$20,000 for each additional initial RN graduate in two year programs and \$10,000 for each additional graduate in one year programs. If sufficient funds are not available to provide this allocation, the THECB shall distribute the funds on a pro rata basis equally among the nursing programs participating. THECB shall develop an application process for institutions willing to increase the number of nursing graduates. The application shall indicate the number of nursing graduates for initial licensure the institution will produce; indicate the number of payments and payment schedule; identify benchmarks an institution must meet to receive payment; and specify the consequences of failing to meet the benchmarks.~~
- ec. For THECB expenditure purposes, any funds not expended in fiscal year 2022 may be expended in fiscal year 2023 for the same purposes. If an institution spends funds on non-qualifying expenditures or does not spend the funds within the designated timeframe.

~~does not meet targets for purposes of subsections b, c, and d, the institution shall return these unearned funds to the THECB by the date specified by THECB rule. The THECB shall reallocate these funds to other qualified programs. All institutions receiving funds shall submit to the THECB a detailed accounting of funds received, obligated or expended.~~

~~fd. If the funds appropriated under Paragraphs b, c, or d exceed the funds that can be expended in accordance with the requirements of that paragraph, THECB may expend the excess funds for any purpose described in Paragraphs b, c, or d. The THECB may not include nonresident students who are enrolled in online professional nursing programs while residing outside of the state in methodologies used to calculate program awards described in Paragraphs b, c, or d.~~

e Using funds under subsection (a), the Higher Education Coordinating Board shall consider if and how metrics relating to quality of nursing programs should be incorporated in the program and any recommendations for weighting of different types of nursing degrees awarded. The Coordinating Board shall confer with higher education nursing programs and the Texas Nurses Association in the developing of these weighted metrics. The Coordinating Board shall make any recommendations to the Legislature by November 1, 2022. It is the intent of the legislature that this subsection (e) expire after the 2022-23 biennium.

4 for Strategy D.1.1, Wildlife Management (page III-223), by the
5 amount of \$250,000 for the state fiscal year ending August 31, 2022,
6 and by the amount of \$250,000 for the state fiscal year ending
7 August 31, 2023. Adjust totals and methods of financing
8 accordingly.

9 (2) In Article III of the bill, following the appropriations
10 to the Texas A&M AgriLife Extension Service (page III-225), strike
11 Rider 7 and substitute the following appropriately numbered rider:

12 _____. Experimental Use Program for Feral Hog Abatement. (a)
13 Amounts appropriated above out of the General Revenue Fund in
14 Strategy D.1.1, Wildlife Management, include \$250,000 in each
15 fiscal year of the biennium to be used by the Texas A&M AgriLife
16 Extension Service to implement an experimental use program for the
17 purpose of advising the Department of Agriculture under Section
18 76.007, Agriculture Code, regarding pesticide products containing
19 warfarin that are registered by the United States Environmental
20 Protection Agency for use to control feral hogs. The Texas A&M
21 AgriLife Extension Service shall cooperate with the Department of
22 Agriculture in implementing the experimental use program.

23 (b) The experimental use program must obtain from pesticide
24 applicators licensed by the Department of Agriculture information
25 necessary to validate the efficacy of any pesticide product
26 containing warfarin registered by the United States Environmental
27 Protection Agency for use to control feral hogs. The program must
28 determine the product's efficacy in multiple regions of this state
29 and its ability to assist landholders in this state in their efforts

1 to mitigate the economic harm and damage caused by feral hogs.

2 (c) Not later than August 31, 2023, the Texas A&M AgriLife
3 Extension Service shall submit a report to the legislature and the
4 Department of Agriculture regarding the results of the experimental
5 use for each pesticide product evaluated under the program.

6 (3) Reduce the Article VI appropriations from the general
7 revenue fund to the Department of Agriculture for Strategy B.2.1,
8 Regulate Pesticide Use (page VI-2), by the amount of \$250,000 for
9 the state fiscal year ending August 31, 2022, and by the amount of
10 \$250,000 for the state fiscal year ending August 31, 2023. Adjust
11 totals and methods of financing accordingly.

12 (4) In Article VI of the bill, following the appropriations
13 to the Department of Agriculture (page VI-10), strike Rider 21 and
14 substitute the following appropriately numbered rider:

15 _____. Appropriation Restriction on Feral Hog Abatement Using
16 Certain Pesticides. (a) Except as provided by Subsections (b) and
17 (c) of this rider, no funds appropriated to the Department of
18 Agriculture in this Act may be used for the implementation of
19 warfarin on feral hogs.

20 (b) The Department of Agriculture may use amounts
21 appropriated by this Act to register a pesticide product containing
22 warfarin for use in this state to control feral hogs only if:

23 (1) that registration is limited to use by pesticide
24 applicators licensed by the department who are participating in an
25 experimental use program conducted by the Texas A&M AgriLife
26 Extension Service to evaluate the product's efficacy in this state;
27 and

28 (2) the product is registered by the United States
29 Environmental Protection Agency for use to control feral hogs.

30 (c) If the department determines, based on available data
31 including the preliminary or final results of the experimental use

1 program described by Subsection (b)(1) of this rider, that the use
2 of a pesticide product containing warfarin is safe and effective in
3 assisting landholders in this state in their efforts to mitigate
4 the economic harm and damage caused by feral hogs, then the
5 limitations under Subsections (a) and (b) of this rider do not apply
6 after the earlier of:

7 (1) the second anniversary of the date a pesticide
8 product is registered by the department for the limited use
9 described by Subsection (b)(1) of this rider; or

10 (2) the date the Texas A&M AgriLife Extension Service
11 delivers a report advising the department regarding the
12 registration of a pesticide product evaluated under the
13 experimental use program.

14 (5) In Article VI of the bill, in Rider 25 following the
15 appropriations to the Department of Agriculture (page VI-10),
16 reduce the amount to be transferred to the Boll Weevil Eradication
17 Foundation by \$250,000 each fiscal year.

Amend CSSB 1 (house committee printing), by adding the below Article IX rider:

XX. **Proven Strategies to Address COVID-19 Learning Loss.** It is the intent of the Legislature that funds appropriated to the Texas Education Agency by the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act, 2021 and the American Rescue Plan (ARP) Act, 2021 for distribution to or to otherwise support Local Education Agencies along with local and state funds made available for COVID-Relief, be utilized, to the extent allowable, for targeted, proven educational programs and supports to reduce, mitigate and eliminate academic learning loss caused by the COVID-19 pandemic disruption to public education.

The Commissioner of Education shall work with school districts and open enrollment charter schools to assist them in prioritizing the following strategies:

1. Grants/services/tools to launch changes in practice:
 - a. Curricular Rigor, including High Quality Instructional Materials (HQIM)
 - b. Teacher Support
 - c. Extended Learning Time
 - d. Diagnosing Student Mastery
 - e. Strong Foundations
2. Rigorous career-focused high schools, including integrated curricula
3. Local school system parent engagement initiatives
4. Quality high-dose tutoring
5. Initiatives to support high-speed broadband access at home

In the administration of any grants and supports provided by the receipt of federal, state, and local funding for COVID-19 relief, the Commissioner shall consider schools with high percentages of students who do not perform satisfactorily on relevant state assessments or have a student body that has historically experienced an academic achievement gap that is assumed to have widened due to the COVID-19 pandemic.

In line with the ARP Act, the Commissioner shall set aside a portion of the funds for:

1. State level activities and interventions that address students' academic, social, and emotional needs and address the disproportionate impact of COVID-19 on underrepresented student subgroups.
2. At least five percent of the total ARP ESSER allocation shall be used for the implementation of evidence-based interventions aimed specifically at addressing learning loss, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs.
3. At least one percent of the total ARP ESSER allocation for evidence-based summer enrichment programs.
4. At least one percent of the total ARP ESSER allocation for evidence-based comprehensive afterschool programs.

The Commissioner may require any entity with which the Texas Education Agency contracts for purposes of administering the programs under this rider to provide any expenditure and performance data deemed necessary to assess the success of the program.

9 minority-owned underutilized businesses under this subsection; or

10 e. a supplier contract between a ethnic minority-owned underutilized
11 businesses under this subsection and a prime contractor under which
12 the historically underutilized business is directly involved in the
13 manufacture or distribution of the supplies or materials or otherwise
14 warehouses and ships the supplies.

15 4. It is the intent of the Legislature that all state agencies and institutions of
16 higher education include in their agency strategic plan, a plan for increasing the use
17 of ethnic minority-owned underutilized businesses in purchasing and construction
18 contracting.

19 5. It is the intent of the Legislature that when determining whether a public
20 need exists for the continuation of a state agency or its advisory committees or for
21 the performance of the functions of the agency or its advisory committees, the Sunset
22 Advisory Commission shall consider the extent to which the agency has complied
23 with requirements of state law or state agency rules regarding purchasing goals and

1 programs for ethnic minority-owned underutilized businesses.

2 6. It is the intent of the Legislature that a political subdivision of the state that
3 receives state funds may establish a program to increase the participation of ethnic
4 minority-owned underutilized businesses, disadvantaged, or women-owned
5 businesses as contractors and/or subcontractors on contracts with the political
6 subdivision. To the extent permissible under the U.S. Constitution, such governing
7 body may develop and implement goals based on any evidence, including an
8 independent study, for the participation of such businesses as contractors and/or
9 subcontractors.

10 7. This section is an expression of the intent of the Legislature and does not
