Sec. 3880.002. NATURE OF DISTRICT. The Harris County Improvement District No. 12 is a special district created under Section 59, Article XVI, Texas Constitution.

Sec. 3880.003. PURPOSE; DECLARATION OF INTENT. (a) The creation of the district is essential to accomplish the purposes of Sections 52 and 52-a, Article III, and Section 59, Article XVI, Texas Constitution, and other public purposes stated in this chapter. By creating the district and in authorizing the City of Houston, Harris County, and other political subdivisions to contract with the district, the legislature has established a program to accomplish the public purposes set out in Section 52-a, Article III, Texas Constitution.

(b) The creation of the district is necessary to promote, develop, encourage, and maintain employment, commerce, transportation, housing, tourism, recreation, the arts, entertainment, economic development, safety, and the public welfare in the district.

(c) This chapter and the creation of the district may not be interpreted to relieve the City of Houston or Harris County from providing the level of services provided, as of the effective date of the Act enacting this chapter, to the area in the district. The district is created to supplement and not to supplant the city and county services provided in the area in the district.

Sec. 3880.004. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a) The district is created to serve a public use and benefit.

(c) The creation of the district is in the public interest and is essential to:

(1) further the public purposes of developing and diversifying the economy of the state;
(2) eliminate unemployment and underemployment; and

(e) Pedestrian ways along or across a street, whether at grade or above or below the surface, and street lighting, street landscaping, parking, and street art objects are parts of and necessary components of a street and are considered to be a street or road improvement.

(1) organization, existence, or validity;
(2) right to issue any type of bond for the purposes for which the district is created or to pay the principal of and interest on the bond;
(3) right to impose or collect an assessment or tax; or
