(2) “City” means the city of League City.
(3) “Director” means a board member.
(4) “District” means the League City Improvement District.

Sec. 3855.002. NATURE OF DISTRICT. The League City Improvement District is a special district created under Section 59, Article XVI, Texas Constitution.

Sec. 3855.003. PURPOSE; DECLARATION OF INTENT. (a) The creation of the district is essential to accomplish the purposes of Sections 52 and 52-a, Article III, and Section 59, Article XVI, Texas Constitution, and other public purposes stated in this chapter. By creating the district and in authorizing the city, Galveston County, and other political subdivisions to contract with the district, the legislature has established a program to accomplish the public purposes set out in Section 52-a, Article III, Texas Constitution.

(b) The creation of the district is necessary to promote, develop, encourage, and maintain employment, commerce, transportation, housing, tourism, recreation, the arts, entertainment, economic development, safety, and the public welfare in the district.

(c) This chapter and the creation of the district may not be interpreted to relieve the city or Galveston County from providing the level of services provided, as of the effective date of the Act creating this chapter, to the area in the district. The district is created to supplement and not to supplant the city or county services provided in the area in the district.

Sec. 3855.004. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a) The district is created to serve a public use and benefit.

(b) All land and other property included in the district will benefit from the improvements and services to be provided by the district under powers conferred by Sections 52 and 52-a, Article III, and Section 59, Article XVI, Texas Constitution, and other powers granted under this chapter.

(c) The creation of the district is in the public interest and is essential to:

(1) further the public purposes of developing and diversifying the economy of the state;
(2) eliminate unemployment and underemployment; and

(e) Pedestrian ways along or across a street, whether at grade or above or below the surface, and street lighting, street landscaping, parking, and street art objects are parts of and necessary components of a street and are considered to be a street or road improvement.

(f) The district will not act as the agent or instrumentality of any private interest even though the district will benefit many private interests as well as the public.

(1) organization, existence, or validity;
(2) right to issue any type of bond for the purposes for which the district is created or to pay the principal of and interest on the bond;
(3) right to impose or collect an assessment or sales and use tax; or
