DIGEST

Currently, teachers at the Texas School for the Deaf and most teachers throughout the state have the option of receiving their pay in 12 equal monthly installments rather than nine. H.B. 932 allows all employees at the Texas School for the Deaf to receive a paycheck for 12 months rather than nine. Their current salary would simply be "leveled" in 12 equal monthly installments.

PURPOSE

As proposed, H.B. 932 establishes the manner in which salaries are paid to certain employees of the Texas School for the Deaf.

RULEMAKING AUTHORITY

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.

Effective date: upon passage.
