DIGEST

This resolution is requesting the authority to construct a monument on the Capitol grounds. This monument will honor Girl Scouts of Texas for their commitment to community, personal growth and value in the lives of young women. The monument's commission, installation, and maintenance would be paid for entirely with private funds generated from Girl Scouts of the U.S.A.

PURPOSE

As proposed, H.C.R. 58 submits the following resolutions:

To provide for the permanent placement of a monument on the Capitol grounds honoring Girl Scouts of Texas.

Provides that the placement be contingent upon the raising of private funds by the staff and volunteers of the Girl Scouts of America for the monument's commission, installation, and maintenance so that no expense is incurred by the State of Texas.

Provides that the State Preservation Board (board) has the responsibility to approve the design and location of the monument and to oversee its installation, and that the General Services Commission assist the board in the planing and completion of the monument.

Prohibits the board from approving the installation of the monument under certain conditions.

Provides that the secretary of state forward an official copy of this resolution to the executive directors of the State Preservation Board and the General Services Commission.
