DIGEST

Currently, under Article 4512d, V.T.C.S., the Advisory Board of Athletic Trainers (board) is limited in regard to how much the board can charge for an athletic trainer examination fee, an athletic trainer license fee, and an athletic trainer annual license renewal fee. The board is not able to collect the necessary fees to administer its regulations because of such limitations imposed upon it in Article 4512d, V.T.C.S. This bill would require the board, by rule, to set fees in amounts that are reasonable and necessary to collect sufficient revenue to cover the costs of administration of Article 4512d, relating to athletic trainers. Additionally, this bill would set forth an audit of certain financial transactions of the board and the Texas Department of Health under Article 4512d.

PURPOSE

As proposed, S.B. 1191 revises the fees assessed for the regulation of athletic trainers by the Advisory Board of Athletic Trainers. Additionally, this bill sets forth an audit of certain financial transactions of the board and the Texas Department of Health.

RULEMAKING AUTHORITY

Rulemaking authority is granted to the Advisory Board of Athletic Trainers in SECTION 1 (Section 7(a), Article 4512d, V.T.C.S.) of this bill.
