DIGEST

Currently, the Texas Higher Education Coordinating Board is an 18-member gubernatorial board representing all areas of the state. Senate Rule 7.09(1) requires the director of the Legislative Budget Board to consult with the coordinating board and prepare a Higher Education Impact Statement if the director determines that a bill or joint resolution authorizes or requires a change in the classification, mission, or governance structure of an institution of higher education or would establish such an institution. C.S.S.B. 1578 would authorize the coordinating board to hold meetings to consider the impact of legislation on higher education by telephone conference call or video conference call.

PURPOSE

As proposed, C.S.S.B. 1578 outlines provisions authorizing the Texas Higher Education Coordinating Board to consider higher education impact statements.

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.
