DIGEST

Currently, Texas law does not provide for the issuance of special license plates to a mother, or a spouse of a mother, of a person who died while serving in the United States armed forces. The State of New York recently enacted such a law. This bill would provide for the issuance of specially designed license plates to spouses and mothers of persons who died while serving in the armed forces. The plates would include the words "Gold Star Mother."

PURPOSE

As proposed, S.B. 745 requires the Department of Transportation to issue specially designed license plates to a mother, or spouse of a mother, of a person who died while serving in the United States armed forces, provided that the mother or spouse applies to the department, pays an annual fee, and establishes eligibility.

RULEMAKING AUTHORITY

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.
