DIGEST

Current student enrollment at The University of Texas at Brownsville (UTB) is 8,812 and is projected to increase in the next 10 years. There is a current lack of on-campus facilities in which students may conduct activities between classes. On February 18, 1998, students at UTB voted in favor of a per-semester fee increase for the construction of a new student union facility. C.S.H.B. 1488 would authorize a student union building fee at UTB and prohibits the board of regents of UTB from increasing the fee more than 10 percent in any academic year.

PURPOSE

As proposed, C.S.H.B. 1488 authorizes a student union building fee at The University of Texas at Brownsville and student union fees at public junior colleges.

RULEMAKING AUTHORITY

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.
