DIGEST

Currently, Section 51.9335, Education Code, as added by the 74th Legislature, authorizes the procurement utilizing “best value” criteria and several competitive and negotiated procurement methods for medical and dental units, and expires September 1, 1999. The University of Texas System’s medical and dental units have saved money when purchasing commodities and services since the implementation of this section. This bill would repeal the expiration date of Section 51.9335.
