### **DIGEST**

The School Land Board (board) was established in 1939 to assist the Land Commissioner in awarding mineral leases on all state-owned lands. Currently, the board is required to meet on the first and third Tuesday of each month in the land office. Recent board meeting agendas have been short and some meetings have been canceled. S.B. 1560 would provide the board flexibility to meet once or possibly not at all in a given month if business does not warrant a meeting.

### **PURPOSE**

As proposed, S.B. 1560 regulates School Land Board meetings.

### **RULEMAKING AUTHORITY**

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION 2. Effective date: September 1, 1999.
