### **DIGEST**

Currently, it is unclear whether or not orientation or training meetings held by appraisal districts for appraisal review board members regarding certain operations are open to the public. S.B. 1642 would establish that appraisal review board meetings held for the purpose of educating, orienting, or training board members in certain appraisal operations are required to be open to the public with reasonable time allocated for public input.

### **PURPOSE**

As proposed, S.B. 1642 establishes provisions regarding the requirement that certain meetings of an appraisal review board be open to the public.

### **RULEMAKING AUTHORITY**

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.
