DIGEST

Currently, the Dallas-Fort Worth Airport partly overlaps several cities, creating the need to clarify statutes that apply to municipal court authority concerning certain violations within the area. S.B. 841 expands municipal court jurisdiction to include actions of a joint airport board, and limits policing authority within airport property by certain persons who are unrelated to the joint board.

PURPOSE

As proposed, S.B. 841 expands municipal court jurisdiction to include actions of a joint airport board.

RULEMAKING AUTHORITY

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.
