DIGEST

Currently, the Texas Legislature heartily endorses the ideals of the Texas DeMolay Association legislative seminar. Goals of this mock legislative session include developing leadership, good citizenship, and patriotism in young men, and sharing with them a hands-on experience of democratic government. This resolution would give Texas DeMolay Association members the opportunity to conduct their mock legislative session in the historic setting of the chambers of the Texas Senate and House of Representatives.

PURPOSE

As proposed, S.C.R. 19 submits the following resolution:

That the 76th Legislature grant the Texas DeMolay Association permission to use the house and senate chambers on certain days in February 1999 and 2000, unless the Texas Senate and House of Representatives are in session on those dates.
