### **DIGEST**

Reports of child abuse and neglect have increased significantly during the past three decades, and in 1996 alone, approximately three million children were reportedly abused or neglected. S.C.R. 76 urges the issuance of a commemorative stamp on the subject of child abuse to increase awareness of this national concern.

### **PURPOSE**

As proposed, S.C.R. 76 submits the following resolutions:

That the 76th Legislature urge the United States Postmaster General and the Citizens' Stamp Advisory Committee members to recommend the issuance of a commemorative stamp on the subject of child abuse to increase awareness of the ongoing need to protect America's children.

That the secretary of state forward an official copy of this resolution to the Postmaster General of the United States and to the members of the Citizens' Stamp Advisory Committee.
