DIGEST AND PURPOSE

Currently, foreign diplomats drive with licenses issued by the U.S. Department of State. When traffic violations occur, diplomatic license holders are responsible for civil fines, but are immune to state license restrictions. S.B. 148 requires all traffic violations or incidents involving persons with diplomatic immunity to be reported to the Bureau of Diplomatic Security Office of Foreign Missions at the U.S. Department of State.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
