### **DIGEST AND PURPOSE**

Currently, an applicant must fulfill certain requirements when submitting an application to the Texas Alcoholic Beverage Commission (TABC) for liquor sales. An applicant is required to post a sign on the premises noting the pending request to TABC; however, a new permit request could go unnoticed if the property has not been used for a period of time or if there is not pedestrian traffic where the sign is posted. As proposed, S.B. 1524 requires a letter to be submitted in English and another appropriate language, if applicable, to residents of the area in which a permit is sought, to inform the residents in advance of possible liquor sales on nearby properties.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
