DIGEST AND PURPOSE

During the 76th Legislature, the requirement that the Texas Department of Public Safety demand surrender of suspended and revoked driver's licenses was removed, while the misdemeanor offense for the possession of a suspended, revoked, or canceled license remained, creating a seeming inconsistency. As proposed, S.B. 671 provides that a person commits a Class B misdemeanor if the person fails or refuses to surrender a license as demanded by the Texas Department of Public Safety.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
