### **DIGEST AND PURPOSE**

Currently, a county with a population of 2.8 million or more is permitted to require prospective bidders on proposed county purchases or projects to attend a pre-bid conference. Only those prospective bidders that attend the mandatory pre-bid conference are eligible to bid on a proposed purchase or project. As proposed, S.B. 1118 allows a county of a population of 2.8 million or more, in those cases where the county extends the time for receiving and opening bids on a proposed purchase or project for which a mandatory pre-bid conference was held, to directly notify via certified mail the pre-bid conference attendees.
