DIGEST AND PURPOSE

Since September 11, 2001, the focus of public attention has been on the sacrifices called for and made by first responders who serve our state and its citizens. The State of Texas does not currently have a process to officially honor these men and women who sustain serious or fatal injuries in the line of duty. C.S.S.B. 1687 creates the Star of Texas Awards to be awarded to an individual seriously injured in the line of duty or the next of kin to those peace officers, fire fighters, and emergency medical first responders who sustain a fatal injury in the line of duty.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
