DIGEST AND PURPOSE

Currently, the Texas Department of Mental Health and Mental Retardation (TDMHMR) is not authorized to place certain information on grave markers in TDMHMR cemeteries. As proposed, S.B. 1764 authorizes TDMHMR to place client names on grave markers in instances where clients die at state mental retardation or mental health facilities, and are buried at cemeteries operated at TDMHMR, unless the individual or the individual's guardian has directed otherwise in writing and that document has provided to TDMHMR.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
