### **DIGEST AND PURPOSE**

Currently, the two existing hospitals in Comanche County, DeLeon Hospital and Comanche Community Hospital, are too small to survive in the current health care environment. Two years ago, administrators began an attempt to consolidate into a new, centrally located, county hospital of sufficient size to survive and prosper. Following an extensive public education campaign, Comanche County voters overwhelmingly supported the proposal to consolidate the two districts. C.S.S.B. 821 allows the district to access the low cost borrowed funds for construction of a new hospital to serve the whole county by granting the district the authority to pledge both property tax revenues and operating revenues.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
