DIGEST AND PURPOSE

Currently, a district attorney may maintain an independent law practice to supplement his or her pay unless that office is listed in the Professional Prosecutors Act, which provides additional state funding to supplement a prosecutor's salary in exchange for prohibiting the prosecutor from the private practice of law. As proposed, S.B. 88 adds the district attorney for the 25th judicial district to the list of prosecutors who are subject to the professional prosecutors law.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
