AUTHOR'S/SPONSOR'S STATEMENT OF INTENT

Current law allows a parent to designate a child-care facility, as defined by Section 42.002, Human Resources Code, or a grandparent's residence, instead of the child's residence, as the regular location for purposes of obtaining transportation to and from the child's school. As proposed, S.B. 1376 requires school districts to allow parents to make those designations along approved routes.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
