AUTHOR'S/SPONSOR'S STATEMENT OF INTENT

As proposed, S.B. 461 revises law enacted by the 78th Legislature, Regular Session, 2003, that addressed the confidentiality of information filed in the real property records in a county clerk's office. S.B. 461 clarifies the content and the type of instrument to which the notice required under Section 11.008 (Confidential Information in Real Property Records) Property Code, must be attached. It further clarifies that a county clerk cannot reject an instrument filed solely because it does not comply with the provisions of Section 11.008, Property Code. S.B. 461 also contains language that prohibits an increased fee for failure of a page to meet certain type size and heading requirements under Section 191.007(b)(3) (Specifications For Legal Papers; Increased Fees), Local Government Code, and Section 11.008, Property Code.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

- (c) Provides an exception as provided by Section 11.008(b), Property Code.
