AUTHOR'S/SPONSOR'S STATEMENT OF INTENT

The Veterans' Land Board (VLB) has two programs that are currently constructing veteran homes and cemeteries: the Texas State Veterans Homes Program and the Texas State Veterans Cemetery Program. However, current law does not give the VLB full authority for purchasing and construction functions for materials needed to build veteran homes and cemeteries. As proposed, S.B. 581 provides the VLB with such purchasing and construction functions and exempts the VLB from the guidelines of the Texas Building and Procurement Commission.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
