AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Laughlin Air Force Base (LAFB) is located six miles east of Del Rio, Texas, and about nine miles from the international bridge to Ciudad Acuña, Coahuila, Mexico. It is 150 miles west of San Antonio on U.S. Highway 90. The 47th Flying Training Wing at LAFB is one of five Air Education and Training Command pilot training units and conducts specialized undergraduate pilot training for the United States Air Force.

LAFB, whose total economic impact on the area is estimated to be at least \$183 million annually, is critical to the economic well-being of both the City of Del Rio and Val Verde County. General development is increasing to accommodate the growing population of the area.

H.B. 3396 authorizes the Commissioners Court of Val Verde County to regulate the unincorporated area of the county around LAFB in order to protect the area from development that may hinder LAFB's military operations and secure the future of the base.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
