### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Under current law, children of full-paid firefighters, full-paid police officers, and volunteer firefighters who have been killed or disabled in the line of duty are exempt from payment of tuition and fees at public institutions of higher education. However, volunteer peace officers are not included in this exemption. Volunteer peace officers receive the same training and fulfill the same duties as full-paid officers, but are often only found in small, rural communities.

H.B. 741 expands eligibility for the exemption of tuition and fees at public institutions of higher education to the dependents of volunteer law enforcement officers who have been killed or disabled in the line of duty.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
