AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Budget preparation on or immediately after the first day of each fiscal year prevents timely filing of the county budget with the county clerk and delays the public budget hearing and adoption of the budget on or immediately after the first day of each fiscal year.

C.S.S.B. 1510 provides flexibility to counties with populations greater than 225,000 in preparing, filing, and adopting the county budget by authorizing the county auditor in such a county to prepare a budget within 30 days before the first day of each fiscal year or on or immediately after the first day of each fiscal year.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
