AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Currently, a student can receive a refund from a university or college when called to active military service. However, career and vocational schools are not required to give a refund to a student called to active military service.

As proposed, S.B. 309 requires career schools and colleges to refund tuition and fees to a student who withdraws from the institution as a result of being called to active military service. This bill also authorizes the student to choose to take an incomplete and re-enroll at no additional cost within 12 months of finishing military service. This bill authorizes a student to receive an appropriate final grade or credit if an instructor determines that the student has completed a substantial portion of the course.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
