AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The growing number of automobiles on Texas roadways has resulted in an increased number of vehicular accidents for which towing services are needed. Tow trucks often attempt to arrive at an accident site first to obtain business relating to the accident. In doing so, they may endanger other motorists by aggressively driving to the scene of an accident.

As proposed, S.B. 500 mandates a tow truck rotation list for Fort Bend County to be maintained by the sheriff's office, and creates a misdemeanor offense for tow truck operators who arrive at an accident scene without being summoned by the sheriff's office.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
