### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Current law sets forth minimum amounts of liability coverage for automobile insurance. The current required minimum amounts of coverage for bodily injury to or death of one person in one accident is \$20,000, for bodily injury to or death of two or more persons in one accident is \$40,000, and for damage to or destruction of property of others in one accident is \$15,000. These state-required coverage minimums do not cover instances of severe injury or property loss, and often times, the injured individual has little recourse in covering medical expenses beyond those covered by insurance.

C.S.S.B. 502 increases the minimum liability coverage amounts for automobile insurance.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to any state officer, institution, or agency.
