AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

A nonprofit organization's primary objective is to support an issue or matter of private or public concern for noncommercial purposes. The organization may be involved in a large range of areas such as the arts, charities, education, politics, religion, or sports. Currently the penalty for theft from a nonprofit organization is not distinguished from the penalty for other types of theft, with the degree of punishment determined by the value of the stolen property. Theft from a nonprofit organization adversely affects the organization as funds for nonprofit organizations are donated or grant-based.

This bill increases the penalty for an offense of theft to the next higher category when the property is stolen from a nonprofit organization.

H.B. 671 amends current law relating to the penalty for theft from a nonprofit organization.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
