AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Generally, hotel occupancy tax (HOT) revenue cannot be used by a city for construction of a hotel. However, statutory exceptions have been made to allow some cities to utilize HOT revenue for hotel construction. The City of Amarillo does not currently fit the geographical or population brackets of these existing exceptions. The language in this legislation is the result of compromise and agreement between local hoteliers and the City of Amarillo.

C.S.S.B. 1207 authorizes a certain municipality to utilize hotel occupancy tax revenue for construction of a convention center hotel. The bill authorizes the municipality to only pledge the revenue from the project hotel to pay for the issuance of bonds or other obligations issued or incurred in the construction of the convention center hotel.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
